I am a child of God. I am audacious and vibrant. I always drum against the beat and allow God to order my steps. God has blessed me tremendously.

God has placed me in rooms with heavy hitters and closer to my dreams. I understand the word that says I can do ALL things through Christ who strengthens me. God has landed me on a billboard in Miami, to covers on magazines. It has come with its challenges as well but I count it all joy. Because if it was easy- what would praise God for.

God has definitely allowed me to beat cancer twice.

And now through Gods grace I am proud to making a debut in acting. Currently involved in two films. I am very excited and elated to be apartment.

I am highly honored to be featured in this magazine, and it gives me great pleasure that my work as a model is appreciated. Once again I get to showcase what I love to do, because my passion for this role makes it feel that it is not work I am doing; it feels like I am doing exactly what I was meant to do.

I am from Louisiana and my background is diverse, as I am a Marine veteran. My modeling career has exposed me to a world of opportunities that have come to ratify my prowess in the field. My experience in the modeling space is in different aspects including magazines, shows, etc. I have always delivered an unforgettable experience and my work has given value to whomever I work with. Through my hard work and determination as well as my commitment to this field, I have started to get noticed and with this, more opportunities have emerged. With all the opportunities arising, I continue to learn and enhance my skills in modeling. As I hone my skills, my experience is expanding. I am now more versatile and more prepared for different roles.

The chance to be selected as the cover model is an opportunity I would cherish because I feel that it will be one of the moments in my life where I will get the chance to represent a brand I admire. Your brand is one to be held in high esteem and I would be honored to be part of the movement as the cover model.

Here is a portfolio of my work and the team I work with to deliver outstanding work:

Happy new year 2024 !

My name is Darine , I'm 13 years old and I'm actress ! I moved from my home country to Canada 6 months ago ! currently working With Max agency in Toronto ! I've always wanted to be on screens since the age of 4 ! I've been asking "how are these people on tv ?" I took acting classes by the age of 6! I started writing movie scenarios by the age of 8 and making editing after filming what I wrote with some of my good friends, I was fascinated by the movie directing too and I still am !! I made 5 short movies : the magic city of stelatopia , The black cat , Web , Paranormal Rec. but the best one yet is Mila a 50 minutes movie written first then filmed with a small camera I acted , directed, wrote , edited it as well ! And currently writing a story called the inheritance puzzle. I really decided that I wanted to start my career as an actor and future film director. I finally got a contract with a film director after presenting my works and dreams at a fair and found me special so we sign a contract with him and I got the opportunity to act in a commercial by the age of 10 . I moved to Canada this summer and after some time , I signed my first contract with max agency and I met my agent for the first time and currently exited about auditing for many projects coming soon ! As you can tell my dream is to be a successful actress and gain this special relation with people (spectators) I dream of playing in a movie one day directed by James one !! I also dream to meet Taylor swift and she inspires me so much to keep going and I just love her and her work so much! I dream to get my name discovered by people! I dream of appearing in magazines just like this one as an actor, my goals are not just to gain professional's attention but is to succeed because I love it from the bottom of heart and I'm ready to inspire others to follow their dreams and never give up because if you can dream it then you can do it as the wise Walt Disney said. I want to thank god , family and every lovely person around me that supports me to archive my goals and believe in myself and the universe. It was a pleasure making this article about me and I hope to see myself soon on your pages !! -Darine , written by mom. 😊
