My name is Fauziat, I am a 21 year old girl currently pursuing her 2nd year at university who has a great passion about modeling. It has always been a dream of mine to see my pictures in magazine wearing clothes and bringing them to life the way I see these

influencers and models do ,I just love doing that. My achievements are I have managed to work with different small brands here in my country and it is a big step for me but the challenges that I face are limited opportunities from where I come from to achieve my goals.

Leah Weston

My name is Leah Weston. I am 11 years old. I participated in the Lauren state championship last year and it was a great experience for me. I was the level 4 champion there. I also frequently visit beaches. It's one of my favorite itineraries. I have also participated in

the Las Vegas inter-district championship and secured second spot. My dream is to become a top-notch gymnast of my time.

Hi my name is Lilly-Ann I am 7 years old. This is my 2nd year on the competitive team. My favorite style of dance is Acro but I also love jazz! One day I hope to be a performer on Broadway. When I am not on the dance floor I

am outside riding motorcycles with my family. I am looking forward to my growth in dance. I am only 7 and I know I have a long way to go but I am excited and passionate about dance and my future.

MALIYAH'S MAGNIFICENT MEMORIES

I Am from Roswell, NM, known for the famous UFO and Aliens. My very supportive parents are Joel and Margie Juarez.

I have been in dance or cheer starting at the age of 3. My platform is "Volunteering is Simple" I am trying to encourage more youth to be active and volunteer.... Even if it's starting with a Simple S.M.I.L.E!

I have been a competitive Dancer, Cheerleader, and Tumbler (I hold numerous Local, State, and National titles) for the last 9 years. I have also been enjoying my new adventure with voice lessons.

I played volleyball and ran track but my true passion is giving back to my community.

I have been an active volunteer with Main Street Roswell & and a registered volunteer with the city of Roswell, and I have actively

volunteered in Artesia, Hagerman & Carlsbad. (I will travel where I can but a little harder with my cheer schedule this year but willing to travel in the state of NM) I have had numerous opportunities to help with wonderful nonprofit organizations and many businesses. I currently hold the Cheerleader America Junior Teen title from this past summer in Georgia. I will crown the next Junior Teen this coming August.

I am hoping to get the opportunity to cheer or dance in college while pursuing a degree in business.

A small act of kindness can go a long way. ♥

Challenges

The challenges I had was that there are people who still do not under the types of disabilities that people have , They think disabilities is about being physically disabled.
