Ultimately my goal is to influence the world through my creative expressions, and spread acceptance and liberty to others. Since arriving in ATL approximately four years ago many of my challenges have centered around accepting what is for me will not pass me by. Since the move I have worked on a handful of prominent tv shows, movies, music videos, and a couple commercials. Some main challenges I have faced outside of my own personal

plights consist of time management. Difficulties arise when I have tried to balance writing music with acting and modeling. Although I have these mountains to overcome I know it's possible and very much obtainable; with this knowledge and a strong sense of faith I fear nothing as I journey further into my craft each and everyday.

my dreams are to become a famous model as well as a famous psychic. My goals are to get more publishing and more customers as a

psychic medium. My weaknesses are overcoming obstacles with myself, and my achievements are being an independent model.

Megan Odle

My name is Ashlee I am nearly 7 years old and live in Australia. I have loved to dance ever since I could walk. I do competition cheerleading and lyrical dance. I really want to continue to grow as a dancer and see where it can take me. I love everything about dance.

When I grow up I want to be a fashion designer. I have already started to draw some designs. I live and breathe music and dance and never stop continuing to grow with it.

Hello there I am a Chicago model. Also, I am a psychic medium. I have done modeling for over 10 years and I am a independent model and artist I love the side of modeling and I also love doing psychic greetings.

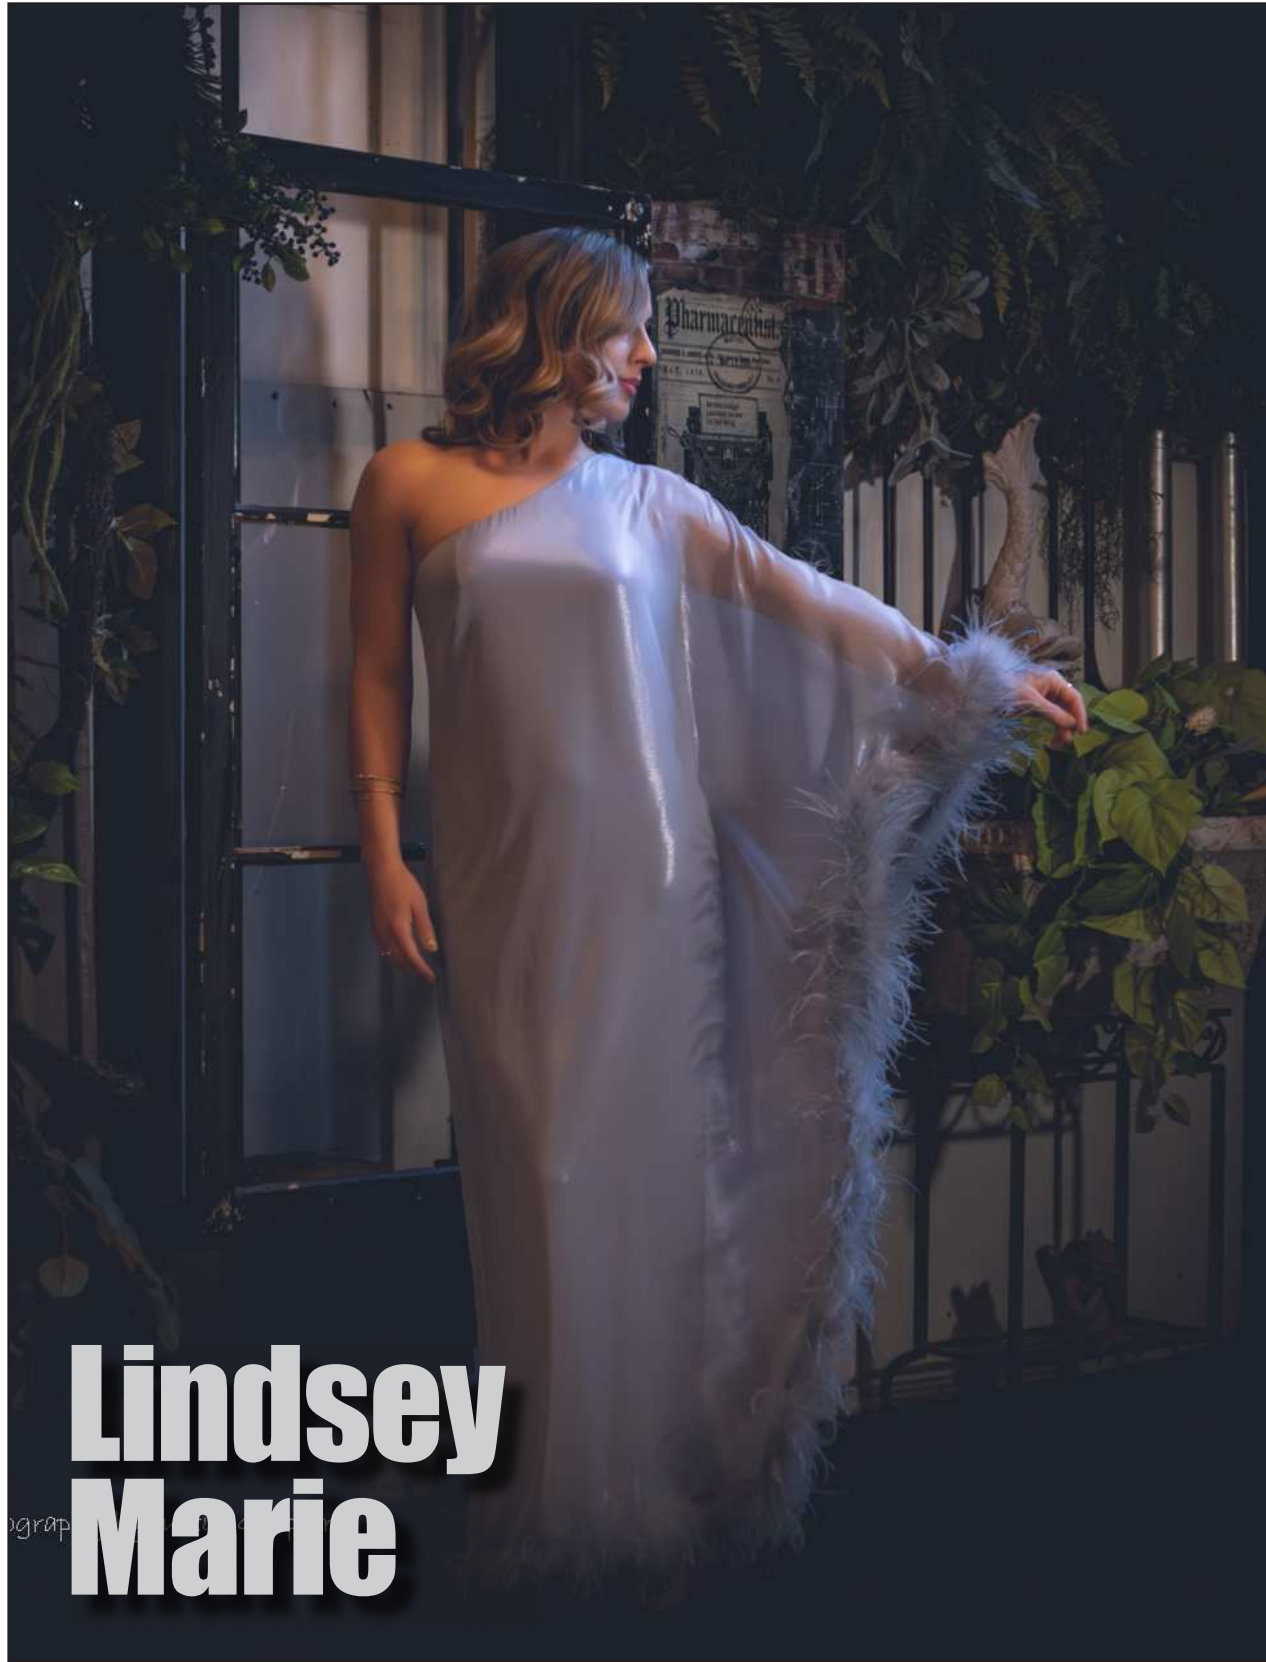

I am an actor and artist from Atlanta, Georgia. With a background in music, dance and fitness, I have a diverse set of skills to share within the arts. My goal as an artist is to be an inspiration in the black community and to be a leader in my generation.

### MES CONSEILS POUR METTRE EN VALEUR VOTRE PROPRIÉTÉ CET ÉTÉ!

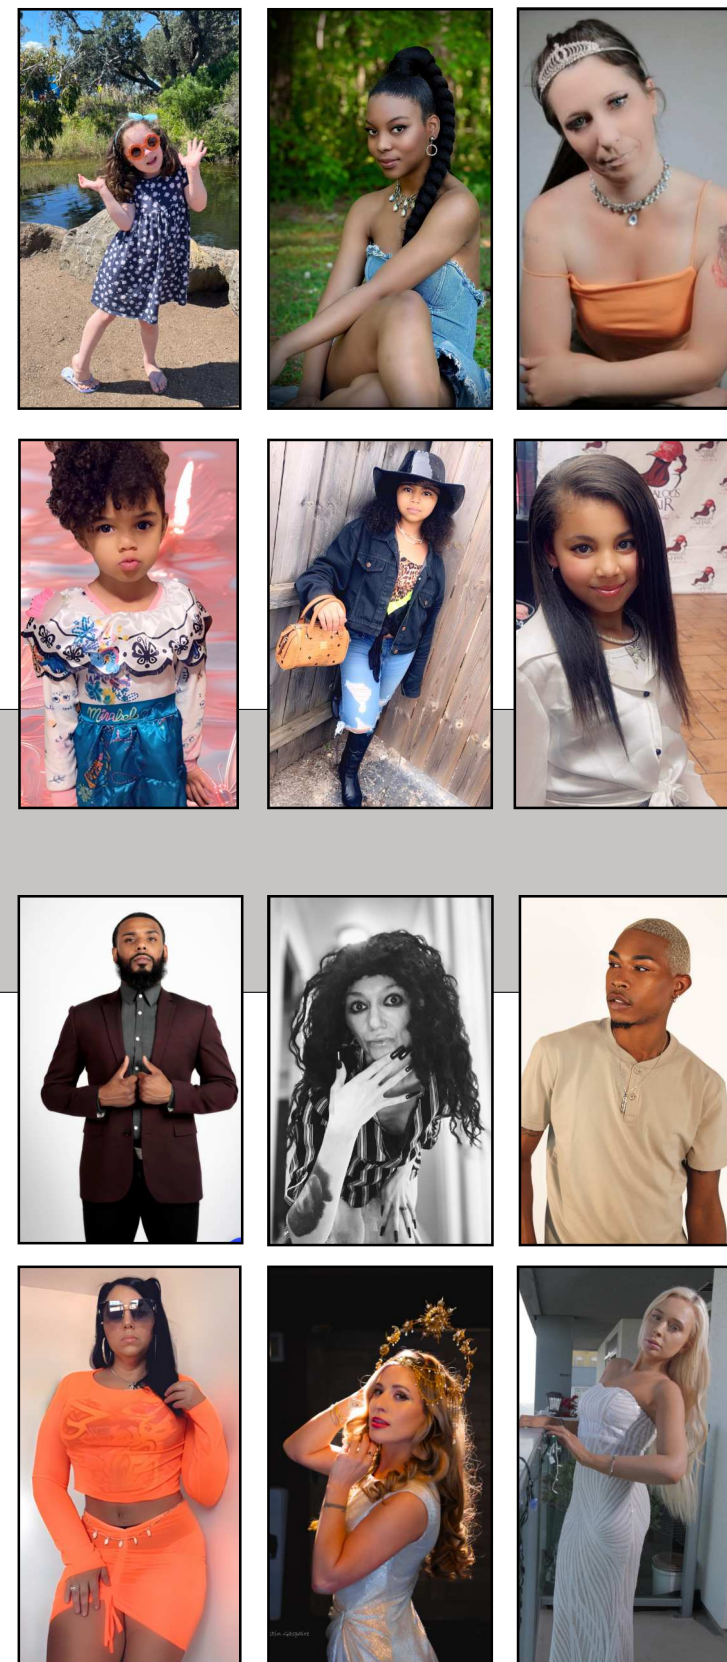

- ✓ **Aménagements soigné:** Assurez-vous que la pelouse est tondue, que les mauvaises herbes dans les parterres de fleurs sont enlevées et que la façade de la maison est propre et attrayante. Un coup de peinture frais sur la porte d'entrée peut faire des merveilles.
- ✓ **Faire des travaux d'entretien:** Profitez de la période estivale pour régler les petits problèmes d'entretien, comme les robinets qui fuient, les ampoules grillées, les portes qui grincent, etc.
- ✓ **Jouer avec la lumière naturelle:** L'été, la lumière naturelle est abondante. Ouvrir les rideaux, les stores et les volets pour laisser entrer la lumière. Assurez-vous que les fenêtres sont propres pour maximiser la luminosité à l'intérieur.
- ✓ **Créer une ambiance estivale:** Des coussins colorés sur le patio et une table dressée pour un barbecue imaginaire dans la cour peuvent aider les acheteurs potentiels à visualiser leur vie estivale dans la maison. Ajoutez des touches décoratives comme des lanternes, des plantes en pot et des meubles d'extérieur confortables afin de rendre votre extérieur plus chaleureux et accueillant.
- ✓ **Une pelouse verte:** Un beau gazon peut augmenter la valeur de votre maison, assurez-vous de bien l'arroser et le fertiliser lors des canicules.
