**MES CONSEILS POUR METTRE EN VALEUR
VOTRE PROPRIÉTÉ CET ÉTÉ!**

- ✓ **Aménagements soigné:** Assurez-vous que la pelouse est tondue, que les mauvaises herbes dans les parterres de fleurs sont enlevées et que la façade de la maison est propre et attrayante. Un coup de peinture frais sur la porte d'entrée peut faire des merveilles.
- ✓ **Faire des travaux d'entretien:** Profitez de la période estivale pour régler les petits problèmes d'entretien, comme les robinets qui fuient, les ampoules grillées, les portes qui grincent, etc.
- ✓ **Jouer avec la lumière naturelle:** L'été, la lumière naturelle est abondante. Ouvrir les rideaux, les stores et les volets pour laisser entrer la lumière. Assurez-vous que les fenêtres sont propres pour maximiser la luminosité à l'intérieur.
- ✓ **Créer une ambiance estivale:** Des coussins colorés sur le patio et une table dressée pour un barbecue imaginaire dans la cour peuvent aider les acheteurs potentiels à visualiser leur vie estivale dans la maison. Ajoutez des touches décoratives comme des lanternes, des plantes en pot et des meubles d'extérieur confortables afin de rendre votre extérieur plus chaleureux et accueillant.
- ✓ **Une pelouse verte:** Un beau gazon peut augmenter la valeur de votre maison, assurez-vous de bien l'arroser et le fertiliser lors des canicules.

My name is Mary Lane and I am the founder of the company PerfectedEverything. Founded in 2015, as a company that created custom empowerment t-shirts for businesses, has now evolved into sharing the lessons I've learned. My first example of a true business woman was my mother, she imparted in me the foundation necessary to be a successful Black woman true to her craft. I've used that foundation to build a business that will help shape the next group of business owners into founders that see beyond profit. I have been a business owner myself for over 10 years and having worked in multiple industries, I know how to help those looking to elevate as business owners or potential business owners.

I have also worked in the demanding field of real estate for over 20 years. This has really opened my eyes to understanding exactly what clients need and what business owners should be providing. I truly believe that knowledge is power for those looking to work for themselves, and believe in the importance of knowing why you want to run a business, your approach to it and best practices for managing business etiquette.

I am also the founder of an impact based social organization called Silver Sisters, which celebrates and empowers woman over 50 years old with grey or silver hair. The group focuses of self development and community service. I've expanded creative my endeavors to now include model and acting. My acting experience includes a TikTok series, Hey Auntie, which I play one of the lead roles of Auntie. The series began in 2023, produced by Tina Bridges (TLB Productions). Currently I am an understudy playing Judge Alexander in the hit stage play Angel's Palace. Directed by Carolyn Louise Herring-Moore (Dynasty Mindset).
