I am a scientist and photographer living in the Washington DC area. Early on, I was mainly a landscape and wild-life photographer. As an outdoor photographer, I was fortunate enough to travel to many countries in six continents and capture many unique and beautiful moments. In the past two years, I have become passionate about portrait photography capturing the spirit and essence of people. Being a scientist, I love experimenting with my photography whatever the genre. A chance opportunity to do a photoshoot with few very talented photographers in the DC, Maryland and Virginia (DMV) and extremely

talented models from a Virginia based Gabbana Modeling agency led to this amazing photoshoot with Amy Alvarez at a local lake in Gaithersburg, MD. We took our time doing the photoshoot and at the same time having fun and documenting all of the moments. Amy Alvarez is a 19-year-old fashion model. At a young age, she always dreamed of being a runway model. Her biggest inspiration as a young girl was to be part of the Victoria Secret Runways. She would go to the mall and walk in the Victoria Secret store, and as soon as you know it, she was standing in front of their platform tv watching the models walk the runway.

**Sharice  
Johnson**

She fell in love with modeling instantly. Amy's first runway show was at the age of 16. Ever since then, she was one step forward in learning what she loved most. She has done numerous photoshoots and runways. Her goal is to dive in more into the fashion industry and aim high and one day become the successful model she aspires to be.

Financial instability has been one of my heaviest burdens. Growing up in a financially unstable environment, I often lacked consistent support, guidance, or love, particularly after the devastating loss of my father to cancer. This profound loss has been a source of both sorrow and strength, driving me to work tirelessly toward my dreams.

In addition to financial struggles, societal preconceptions have posed significant challenges. As a professional model and creative, being judged for my appearance has

often led to missed opportunities and unwarranted prejudice. Instead of being disheartened, I used these experiences as fuel to create my own opportunities, proving that resilience and determination can carve paths where none existed.

My journey is a testament to the power of perseverance and the belief that dreams are worth chasing, no matter the hurdles. DbS Creative Studio is not just a business; it is the embodiment of my vision, hard work, and unwavering commitment to the arts. Through

**MES CONSEILS POUR METTRE EN VALEUR VOTRE PROPRIÉTÉ CET ÉTÉ!**

- ✓ **Aménagements soigné:** Assurez-vous que la pelouse est tondue, que les mauvaises herbes dans les parterres de fleurs sont enlevées et que la façade de la maison est propre et attrayante. Un coup de peinture frais sur la porte d'entrée peut faire des merveilles.
- ✓ **Faire des travaux d'entretien:** Profitez de la période estivale pour régler les petits problèmes d'entretien, comme les robinets qui fuient, les ampoules grillées, les portes qui grincent, etc.
- ✓ **Jouer avec la lumière naturelle:** L'été, la lumière naturelle est abondante. Ouvrir les rideaux, les stores et les volets pour laisser entrer la lumière. Assurez-vous que les fenêtres sont propres pour maximiser la luminosité à l'intérieur.
- ✓ **Créer une ambiance estivale:** Des coussins colorés sur le patio et une table dressée pour un barbecue imaginaire dans la cour peuvent aider les acheteurs potentiels à visualiser leur vie estivale dans la maison. Ajoutez des touches décoratives comme des lanternes, des plantes en pot et des meubles d'extérieur confortables afin de rendre votre extérieur plus chaleureux et accueillant.
- ✓ **Une pelouse verte:** Un beau gazon peut augmenter la valeur de votre maison, assurez-vous de bien l'arroser et le fertiliser lors des canicules.

my dreams are to become a famous psychic medium. My goals are to continue to develop my psychic abilities and to continue to work with others, giving them insight with their life. My accomplishments are that I am an independent model.

My names Faye Delune, and I'm A Professional Model, Musician, Artist, Writer and Photographer, of over 10+ years, but I'm really just an all around creative person and artist. I make a lot of different forms of content and art. Online Content is my main form of Art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning Modeling, Writing, Music, and Photography at The Professional Level and really enjoying the artistic aspect of it all. In the 10+ years, as a model, musician, Writer and photographer, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Books, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Throughout My Career, I Have Also Been Awarded and Published Over 5 Thousand Times! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, musician, or photographer, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

I love making art, and love showing it off. I hope you enjoy my work, and I welcome you to my world.

Living the God dream. My super power is my spirituality mixed with exotic. The perfect God & beauty. I grew up loving dressing up. I always see the beauty in everyone. Loving art and all culture, diversity and humanity. I have loved dancing, gymnastics, fitness and modeling. My own God work has been in addiction, mental health and other trauma informed management. I believe that anyone can change. My passion of modeling has been my

driven force in my art. I have been blessed to be on a TV commercial, in NYC shows, be on the cover of two albums and walked on the runways in NYFW. My specialty is any pinup style. When I am creating my vision, I feel love. My tip to all is always being you no matter what the judgement and opinions. The only thing that matters is the dream, the vision, the love. These are my dreams.
