Hi! My name is Chelsie Cahoon and I am a published travel model from a small town called Clifton Forge, VA. I have been modeling for about eleven years and hope to continue furthering my career in the upcoming years in fashion, bikini, glamour, and other genres. I have been published in numerous magazines, on websites, and am the main ambassador for a few different brands. One of my main goals is to model for swimwear brands like Roxy and Billabong and eventually be on the cover of

other bikini magazines. On top of modeling I am also a content creator, brand owner of a company called Music Is The Drug, and I am a singer and songwriter. This year I plan to push myself harder than ever and achieve all of the dreams that I have. I hope to work with many brands with modeling and content creation and also create my own album. Here's to crushing my dreams!

My names Faye Delune, and I'm A Professional Model, Musician, Writer, Artist and Photographer, of over 10+ years, but I'm really just an all around creative person and artist. I make a lot of different forms of content and art, but Online Content is my main form of art.

Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and

astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning Modeling, Writing, Music, Art, and Photography at The Professional Level and really enjoying the artistic aspect of it all. In the 10+ years, as a model, musician, writer, artist and photographer, I have had the honor

of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Books, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Throughout My Career, I Have Also Been Awarded and Published Over 5 Thousand Times! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, musician,

or photographer, it allows me to meet lots of people, who usually leave impacts on me and vice versa. I love making art, and love showing it off. I hope you enjoy my work, and I welcome you to my world.

Growing up, I always wanted 1 of 2 things. I wanted to enjoy what I was doing and to be famous, but as I got older I just wanted to make art; whether it was painting, singing, acting, dancing, directing, writing or just being silly. My mom always told us "you can do anything you put your mind to," so that's what I try to teach my girls too. I love the arts in all forms, even though I'm not good in some areas like drawing lol. There are several projects that I have had the privilege in working with some very talented artists that include musicians, writers, directors, producers and a few small local businesses. Such as Darkhouse Entertainment with Midnight Messenger featuring Joe Castline and myself, Blood Splatter, and Blake's Krazy Nighmare. Jupiter Entertainment with Snapped, along with Warrior Nation Studios as executive producer and assistant director on Zombie Legacy. keep in mind I'm also working with musical artist such as Z-Train, Tony Buckz, Digital D, Brit Brat, and the one and only Blake Best. As a creative person, I also have written 3 films that will be going into production and 1 short that is already in production called Downside. So keep an eye out for it. As a model, I have been blessed to have had the opportunity to walk the runway, appear in several magazines and model for a few local business like Faith Hope Fashions, Toxica Label Boutique and Eye'z by Her with actress and model Jasmine Davis. Aside from acting, I'm also a mom of 2 beautiful girls who inspired me to write children's books, and I was invited by a local library to do children's book signing for them: which they are published on Amazon called Big Sis Little Sis: Tidy up and Big Sis, Little Sis: Quarantine. These stories are two quick stories of our everyday life and thought others could relate. Wow I didn't realize I had a lot going until I put on paper lol. But that's me in a nutshell. If anyone needs an actress, model, writer, director, keep me in mind.

MES CONSEILS POUR METTRE EN VALEUR VOTRE PROPRIÉTÉ CET ÉTÉ!

- ✓ **Amenagement soigné:** Assurez-vous que la pelouse est tondue, que les mauvaises herbes dans les parterres de fleurs sont entretenues et que la façade de la maison est propre et attrayante. Un coup de peinture frais sur la porte d'entrée peut faire des merveilles.
- ✓ **Faites des travaux d'entretien:** Profitez de la période estivale pour régler les petits problèmes d'entretien, comme les robinets qui fuient, les ampoules grillées, les portes qui grincent, etc.
- ✓ **Jouez avec la lumière naturelle:** L'été, la lumière naturelle est abondante. Ouvrez les rideaux, les stores et les volets pour laisser entrer la lumière. Assurez-vous que les fenêtres sont propres pour maximiser la luminosité à l'intérieur.
- ✓ **Créez une ambiance estivale:** Des coussins colorés sur la pelée et une table dressée pour un barbecue imaginaire dans le cour peuvent aider les acheteurs potentiels à visualiser leur vie estivale dans la maison. Ajoutez des touches décoratives comme des lanternes, des plantes en pot et des meubles d'extérieur confortables afin de rendre votre intérieur plus chaleureux et accueillant.
- ✓ **Une pelouse verte:** Un beau gazon peut augmenter la valeur de votre maison, assurez-vous de bien l'arroser et de fertiliser lors des canicules.
