MES CONSEILS POUR METTRE EN VALEUR VOTRE PROPRIÉTÉ CET ÉTÉ!

- ✓ **Aménagements soigné:** Assurez-vous que la pelouse est tondue, que les mauvaises herbes dans les parterres de fleurs sont enlevées et que la façade de la maison est propre et attrayante. Un coup de peinture frais sur la porte d'entrée peut faire des merveilles.
- ✓ **Faire des travaux d'entretien:** Profitez de la période estivale pour régler les petits problèmes d'entretien, comme les robinets qui fuient, les ampoules grillées, les portes qui grincent, etc.
- ✓ **Jouer avec la lumière naturelle:** L'été, la lumière naturelle est abondante. Ouvrir les rideaux, les stores et les volets pour laisser entrer la lumière. Assurez-vous que les fenêtres sont propres pour maximiser la luminosité à l'intérieur.
- ✓ **Créer une ambiance estivale:** Des coussins colorés sur le patio et une table dressée pour un barbecue imaginaire dans la cour peuvent aider les acheteurs potentiels à visualiser leur vie estivale dans la maison. Ajoutez des touches décoratives comme des lanternes, des plantes en pot et des meubles d'extérieur confortables afin de rendre votre extérieur plus chaleureux et accueillant.
- ✓ **Une pelouse verte:** Un beau gazon peut augmenter la valeur de votre maison, assurez-vous de bien l'arroser et le fertiliser lors des canicules.

My name is Daniella Taranto who began dancing at 5 years old. At 10 years I feel like I still have a lot to learn and though I have had many success such as receiving platinum pro for both of my solos and 2nd runner up for miss petite , I still feel that I have a lot to accomplish. My dream is to be on Broadway one day and continue my love for dance. Some

challenges that I had to overcome is having anxiety before getting on stage and feeling that I couldn't do it, but between having a great support system and just taking a minute to breathe I was able to overcome my fears. Excited to see what the future holds.

My name is Isabella Criscio 16 year old Junior at West Haven High School. I am a member of my high school dance team, MPAC dance team, Italian club, Volunteer for the Special Olympics of CT, and a member of Yale Pathways to Science.

Growing up, I was surrounded by dance. My mom was a dancer from a very young age, I was exposed to a wide variety of dance styles. I fell in love with dance at an early age and began taking dance lessons when I was just five years old.

Dancing became my outlet and my way of expressing myself. As I grew older, I became involved in my school's dance programs also started to experiment with different types of dance. Dance became more than just a hobby for me - it became a way of life.

I found that I could convey my emotions and tell stories through my compositions, and this became a powerful form of self-expression for me. I poured my heart and soul into my dance, and it became a means of communicating and connecting with others.

I have been to many dance schools but MPAC has been the dance I never thought I would have. The time each teacher takes to make sure we are comfortable. They are my second family. I love each and everyone one of them. I was able to compete in dance competitions that I have never done before and it was an experience of a life time. I love every minute of it. I take private lessons that has also helped me.

In conclusion, my passion for dance has played a significant role in shaping my identity and has had a profound impact on my life. It has provided me with a sense of purpose and has influenced my future. I am confident that my unique background and talent for dance will make a valuable contribution to any academic and social community, and I look forward to it.
