Andrea Mojica

Andreamodelled for me at a Fashion Show called Walk Fashion Show that was located in Miami. She made my work on the runway come to life. Her catwalk was fierce and flawless. She actually contacted me through text when she found out that I was at the Walk Model Casting just to find Models who will represent my brand. She showed high interest in my work. I am so glad that I work for her. Photographers Credits: @morchano_shot_rite_photos

MES CONSEILS POUR METTRE EN VALEUR VOTRE PROPRIÉTÉ CET ÉTÉ!

- ✓ **Amenagement soigné:** Assurez-vous que la pelouse est tondue, que les mauvaises herbes dans les parterres de fleurs sont entretenues et que la façade de la maison est propre et attrayante. Un coup de peinture frais sur la porte d'entrée peut faire des merveilles.
- ✓ **Faites des travaux d'entretien:** Profitez de la période estivale pour régler les petits problèmes d'entretien, comme les robinets qui fuient, les ampoules grillées, les portes qui grincent, etc.
- ✓ **Jouez avec la lumière naturelle:** L'été, la lumière naturelle est abondante. Ouvrez les rideaux, les stores et les volets pour laisser entrer la lumière. Assurez-vous que les fenêtres sont propres pour maximiser la luminosité à l'intérieur.
- ✓ **Créer une ambiance estivale:** Des coussins colorés sur la pelée et une table dressée pour un barbecue imaginaire dans le cour peuvent aider les acheteurs potentiels à visualiser leur vie estivale dans la maison. Ajoutez des touches décoratives comme des lanternes, des plantes en pot et des meubles d'extérieur confortables afin de rendre votre extérieur plus chaleureux et accueillant.
- ✓ **Une pelouse verte:** Un beau gazon peut augmenter la valeur de votre maison, assurez-vous de bien l'arroser et la fertiliser lors des canicules.

I'm from Moreno Valley California where I was extremely fortunate to have a childhood. I was raised there by both parents. I graduated from Rancho Verde high-school and excelled in the sport of Track and Field which led me to earn a scholarship to Cal State Angeles where I hold the Triple Jump school record since 2010 and won The Division II title In the Triple Jump event 2011. One of my challenges is getting in contact with the right people for opportunities and growth.

One of my accomplishments was competing at the University of Oregon 2012 in the Olympic Trials. Another accomplishment of mine was being signed to Wild models Los Angeles the end of last year. The most current accomplishment was walking the runway for the designer Joshlyn Jamison representing her clothing line Zadekahemporium March 26th 2022 at the Los Angeles Convention Center. My goals are to act and model full time and that is my dream. I am thankful for my health, opportunities and family support. I take one day at a time working towards the smallest goals to accomplish my big goals.

Megan Elizabeth

Hi! My name is Megan Elizabeth. I am a model and actress. I can be seen on televised commercials, multiple magazine publications as well as editorials and runway. I started modeling at the age of 18 in Michigan while attending Grand Valley State University. While studying, I began to grow my career from taking on minor projects to being featured in nationwide commercials. My experience in the entertainment/fashion industry has allowed me to take on more responsibility resulting in greater opportunities.

I have showcased my talents in Washington D.C., Virginia and Florida. I am currently based in Florida working alongside multiple non-exclusive agencies. I also love to share my knowledge as a model coach. I work locally but am always willing to jump in a suitcase to travel for a job. I bring the razzle dazzle wherever I go.

My name is Remy Voogt. Ever since I was young, dance was my life. There was no place I would rather be than in the studio, and that love and passion is still continued to this day. I grew up outside of Vancouver, BC in a city named Abbotsford. I trained at Legacy Dance Productions for 25 hours a week in every style. I was so inspired by my mentors and instructors there I knew that dance wasn't something I could leave

behind after I graduated high school. It is now my fifth year choreographing routines for studios and I could not be any happier with my life. I want to keep pushing myself to learn more and more, exercise my creativity, and challenge myself when creating pieces. I would love to one day open a studio of my own, where I can share my love and passion with everyone who walks through the doors.

Remy Voogt

I have been so grateful for every person in my life who has gotten me to where I am today. In high school, I was awarded top scoring soloist at Syngery Dance Competition, as well as top scoring duet at Evolve Dance Competition. More recently, just last year I was able to still compete and choreograph for a university team, and we had great success! I was awarded

Title soloist at CanDance Competition, as well as top scoring routine.

I want to push myself to being better every single day. I can't wait to continue inspiring tiny dancers.
