Hello, I'm Christina! Throughout my journey, I've always dreamed of participating in more pageants. I firmly believe that age is just a number; with hard work and self-belief, anything is possible. Recently, I had the incredible honor of being named Elite Miss Christmas Polk County 2024 and crowned Miss Christmas International 2024/2025. Additionally, I'm thrilled to represent as Ms.

Polk County 2025 for the Miss Millennium International pageant. My platform focuses on raising awareness for Cystic Fibrosis, a cause that is deeply personal to me. I'm genuinely excited about the opportunities that 2025 will bring, and I know that with perseverance and dedication, our dreams can absolutely become reality.

Hello, I am 49 year of Valerie "mzvthemodel" Quinn, after years of dealing with low self-esteem and feeling unworthy I embraced loving myself to the fullest and attended my first model call in January of 2022 and walked in my first fashion in March 2022. I have been fighting battles most of my life from being born premature, to having asthma that led to me being incubated with the machine breathing 100% for six days for me. I am a Domestic Abuse Survivor, I have diabetes, and in May of this year I had a Stroke with bleeding on my brain, but I have still been strong and have not allowed these obstacles to stop me from staying on the path that God has set for me. Since walking in my first fashion show I have walked in many fashion shows in N.C., V.A., and G.A. and I have been published in 8 magazines including 1 International Magazine. My childhood community Coley Acres also did a write up about me in the Coley Acres Gazette. My sincere desire is to be printed in more fashion magazine and catalogs.

As of 2024 I am also an aspiring actress I have appeared in Deadpool Just Another Day: Episode 1 "Chaos is Just Part of the Job". It can be watched on YouTube. I am also part of the cast for the Web Series "AML" which will begin filming in February 2025. I just pray that I can continue to move forward in the modeling and acting community. My one main goal is to be an example to others to let them know that no matter what trials and tribulations they encounter they can still achieve their goals and dreams.

Hello, my name is Dr. Betty Tequila Reynolds, Ph.D.s h.c., I live in Lexington, Kentucky with my three amazing, beautiful daughters. I work, homeschool and go to school all from home. I am currently going to school for my Medical Administrative Assistant for my associates degree. I have obtained my certificate in Medical Administrative and Electronic health record in October of 2020. I have been living in Kentucky for the last 8 years now, moved my children and I from Columbus, Ohio to get away from a bad relationship. We are doing better and have better and brighter days since we move to Kentucky.

I am looking to graduate this year from Ultimate Medical Academy with my associates degree this November 2025, as I am also excited to be in reign as Ms. Classic Beauties International 2024/2025. As I will be using my reign to speak more on Domestic Violence which is my platform and people with ADHD/learning disabilities. I am choosing these two because I am a DV survivor, and I was diagnosed my second year of 1st grade with my disability being ADHD/learning disability and cognitive delayed. My children also have my same disability and as a mother that still struggles herself with it, as I know first-hand what they are going through I am able to help my children with their disabilities as well. I am looking forward to my reign and all the things I plan to do with it this year.

In 2022 I received two honorary degrees I definitely surprise myself with this and it just showed me not to never give up and to always believe in myself and to always stay focused. I also

Ronnie

wrote my first book in 2022 called Bullying (The true understanding). I have had so many challenges in my life as I still do but I know that I have a purpose in life and a voice that is meant to be help to others. I want my daughters to know one that I never gave up and that I never did let my life lesson destroy me but make me into a better person and mother.

Finally, the second-best thing I can ever do in my life is being a pageant business owner, I started my pageant system in September of 2021 naming it Beautiful Sunshine Rose Special Needs Virtual Pageants, that has now been around for three years and now is a national pageant system as we now have state directors a long side as we grow and expand, I also now have launched a new Magazine

featuring not only our title holders but all with special abilities giving them the opportunity to feel and look beautiful as models and gain confidence and self-esteem. Were about helping build leaders, character and allowing the world to know we are capable of doing anything and everything as well, as anyone else in the world we may not be able to do it the same, but we can still get the job done and it be just as good if not better. You can follow Beautiful Sunshine Rose Special Needs Virtual Pageants on our social media pages on our IG, Facebook, TikTok, and YouTube channels.

Thank you for allowing me to share my story with you

space unapologetically.

Through my platform, I aim to spread love, positivity, and resilience. Life hasn't always been easy, and I know what it's like to move through tragedy and come out the other side. I want to be a billboard for those who've faced difficult times, showing them that it's possible to embrace all of who you are and move forward authentically.

Looking ahead, I want to continue working in print. While I enjoy the excitement of the runway, it's in front of the camera where I truly come alive. My goal is to produce content and

art that takes my Babes—my followers—on a journey with me. I want to serve as a conduit for body positivity, positive change, reaching your goals, and loving yourself. Whether it's through my modeling, storytelling, or connection with my audience, I hope to inspire others to embrace their beauty, set ambitious goals, and pursue life unapologetically.

Because when we own who we are and love ourselves fully, we don't just thrive—we transform.

Redefining Beauty: My Journey in Fashion and Empowerment

Being published in Fashion Illustrated—my very first magazine feature—was a moment I'll never forget. It wasn't just an achievement; it was a declaration that my voice, my presence, and my perspective as a plus-size Black woman deserved to be seen and celebrated. That milestone marked the beginning of my mission to redefine beauty standards and inspire others to embrace their uniqueness.

For me, fashion is about so much more than clothes—it's a platform for change, a way to tell stories, and a vehicle for empowerment. I'm passionate about showing the world that beauty is not one-size-fits-all. As a plus-size woman, I've faced societal expectations and limiting beliefs about what beauty "should" look like. But I stand as living proof that beauty comes in all shapes, sizes, and shades. It's not about fitting into someone else's mold—it's about loving your body as it is and owning your

In today's topsy-turvy economy, as a young adult female, I would like to feel confident about holding my own, having the independence and security that my parents did when they were my age. Unfortunately, as I learn more each day, that way of life has been squashed and buried in the past. I feel that today's young adults have to have the motivation and initiative twice as high as back then. These are challenges not only for me but

for many of my friends. In order to achieve these goals, we need to hold at least 2 jobs.. maybe 3 and those jobs need to be juggled around each other. My dream is that my modeling career will be enough. I will be enough. And I can find a partner to share my "enoughness "with!!

I have been modeling for over 9 years. I took a mental break from modeling and acting to sort out life challenges. Since coming back mid 2024 I have had so much love and support from the Queen City. Previous Magazine publications from my photographers i have achieved; fashion shows with powerful meanings that help aid the community; upcoming segment to air in 2025 on "Life of a Model"; modeling for a celebrity stylist "Nira Loves Fashion Boutique", 1st year on ballot for Queen City Model of the Year; opportunity to be model face for 2025 for "Sachhi Design & Couture"; lastly receiving an award of

"Achievement for Fashion Model of the Year".

My purpose is to be an example that if you have a passion and desire to want something in life it will show. Consistency and dedication are key in success. We have alot of young upcoming next generation we have to show them the right way to work hard and be successful!!

MES CONSEILS POUR METTRE EN VALEUR VOTRE PROPRIÉTÉ CET ÉTÉ!

- ✓ **Aménagement soigné:** Assurez-vous que la pelouse est tondue, que les mauvaises herbes dans les parterres de fleurs sont enlevées et que la façade de la maison est propre et attrayante. Un coup de peinture frais sur la porte d'entrée peut faire des merveilles.
- ✓ **Faire des travaux d'entretien:** Profitez de la période estivale pour régler les petits problèmes d'entretien, comme les robinets qui fuient, les ampoules grillées, les portes qui grincent, etc.
- ✓ **Jouer avec la lumière naturelle:** L'été, la lumière naturelle est abondante. Ouvrir les rideaux, les stores et les volets pour laisser entrer la lumière. Assurez-vous que les fenêtres sont propres pour maximiser la luminosité à l'intérieur.
- ✓ **Créer une ambiance estivale:** Des coussins colorés sur le patio et une table dressée pour un barbecue imaginaire dans la cour peuvent aider les acheteurs potentiels à visualiser leur vie estivale dans la maison. Ajoutez des touches décoratives comme des lanternes, des plantes en pot et des meubles d'extérieur confortables afin de rendre votre extérieur plus chaleureux et accueillant.
- ✓ **Une pelouse verte:** Un beau gazon peut augmenter la valeur de votre maison, assurez-vous de bien l'arroser et le fertiliser lors des canicules.
