Elizabeth Chapman

Hi, I'm Elizabeth Chapman, a 13-year-old dancer with big dreams and a passion for dance. Dance has always been a huge part of my life and has helped me grow on and off the stage. I'm excited to share my journey so far, what I hope to achieve in the future, and challenges I have overcome.

In 2023, I was proud to be a Celebration Dancer of the Year contestant, it was such an amazing experience to dance alongside so many talented dancers.

In 2024, I won overall first place at both Celebration and Symposium competitions. I was humbled by this as I went up against so many incredible dancers. I was also runner-up for Title at Symposium. One of my favorite moments of 2024 was becoming an Ultra Icon of the Year finalist. For the past three years, I've also made it to the Iowa State Fair Bill Riley Talent Search contest, which has been such a rewarding experience. Most recently, I auditioned and was given a roll through Des Moines Ballet in their season showing of The Nutcracker.

My favorite styles are contemporary and open because they allow me to tell stories on stage and perform unique movements. I love how I can use movement to express emotions and connect with the audience without saying a word. It's a powerful feeling to bring a story to life through dance.

Looking ahead, I dream of dancing on a college team, dancing professionally, and one day teaching dance. I want to inspire others the way my teachers have inspired me. My main teacher/coach and choreographer, Sarah Pugh, has been such an inspiration. She's taught me so much about dance, but also about life and growing up. I want to share my passion and help others find their voice through movement.

Not every step of my journey has been easy. In 2024 I broke a bone in my foot, which put me out of dance for a good 8 weeks and unfortunately meant I had to miss nationals. Sitting out while watching my teammates dance was tough, but it made me even more determined to come back stronger.

I couldn't have made it this far without my amazing support system - especially my parents, brother, and cousin - coach, teammates, family, and friends. They have always been by my side cheering me on, encouraging me through challenges, and celebrating my successes. My parents have always taught me to work hard and DREAM BIG!

My journey is just beginning, but I'm excited to see where dance will take me. No matter what, I'll keep working hard and doing what I love every step of the way!

Chase your dreams let them lead the way is exactly how I wound up being a model for so many years modeling requires discipline and leadership, self-confidence beauty from within and the constant need for a creative inspiration. This all makes me click as well as

making me so glad that I'm a model. I also like to inspire others to become models and the best version of themselves.

MES CONSEILS POUR METTRE EN VALEUR VOTRE PROPRIÉTÉ CET ÉTÉ!

- ✓ **Amenagement soigné:** Assurez-vous que la pelouse est tondue, que les mauvaises herbes dans les parterres de fleurs sont entretenues et que la façade de la maison est propre et attrayante. Un coup de peinture frais sur la porte d'entrée peut faire des merveilles.
- ✓ **Faites des travaux d'entretien:** Profitez de la période estivale pour régler les petits problèmes d'entretien, comme les robinets qui fuient, les ampoules grillées, les portes qui grincent, etc.
- ✓ **Jouez avec la lumière naturelle:** L'été, la lumière naturelle est abondante. Ouvrez les rideaux, les stores et les volets pour laisser entrer la lumière. Assurez-vous que les fenêtres sont propres pour maximiser la luminosité à l'intérieur.
- ✓ **Créer une ambiance estivale:** Des coussins colorés sur la pelouse et une table dressée pour un barbecue imaginaire dans le cour peuvent aider les acheteurs potentiels à visualiser leur vie estivale dans la maison. Ajoutez des touches décoratives comme des lanternes, des plantes en pot et des meubles d'extérieur confortables afin de rendre votre extérieur plus chaleureux et accueillant.
- ✓ **Une pelouse verte:** Un beau gazon peut augmenter la valeur de votre maison, assurez-vous de bien l'arroser et la fertiliser lors des canicules.

In today's topsy-turvy economy, as a young adult female, I would like to feel confident about holding my own, having the independence and security that my parents did when they were my age. Unfortunately, as I learn more each day, the way of life has been squashed and buried in the past. I feel that today's young adults have to have the motivation and initiative twice as high as back then. These are challenges not only for me but

for many of my friends. In order to achieve these goals, we need to hold at least 2 jobs, maybe even 3 and those jobs need to be juggled around each other. My dream is that my modeling career will be enough. I will be enough. And I can find a partner to share my "enoughness" with.

My biggest dream is to one day have my own mental health and addiction community resource. I have worked in addictions with a diverse population for over 6 years while working on my modeling career to bring awareness to domestic violence survivors addiction recovery and body positivity. My biggest challenges have been my health but no matter what I conquer and overcome every

obstacle that is thrown on my way. With having a lived experience in all of these areas it has helped me help others that do not yet have a voice. I have been able to continue my education in social work and law enforcement in order to have the ability to make my dreams come true and to continue serving my community to the best of my ability.
