MES CONSEILS POUR METTRE EN VALEUR VOTRE PROPRIÉTÉ CET ÉTÉ!

- ✓ **Amenagement soigné:** Assurez-vous que la pelouse est tondue, que les mauvaises herbes dans les parterres de fleurs sont entretenues et que la façade de la maison est propre et attrayante. Un coup de peinture frais sur la porte d'entrée peut faire des merveilles.
- ✓ **Faites des travaux d'entretien:** Profitez de la période estivale pour régler les petits problèmes d'entretien, comme les robinets qui fuient, les ampoules grillées, les portes qui grincent, etc.
- ✓ **Jouez avec la lumière naturelle:** L'intrinsèque lumière naturelle est abondante. Ouvrez les rideaux, les stores et les volets pour laisser entrer la lumière. Assurez-vous que les fenêtres sont propres pour maximiser la luminosité à l'intérieur.
- ✓ **Créer une ambiance estivale:** Des coussins colorés sur la pelouse et une table dressée pour un barbecue imaginaire dans le jardin peuvent aider les acheteurs potentiels à visualiser leur vie estivale dans la maison. Ajoutez des touches décoratives comme des lanternes, des plantes en pot et des meubles d'extérieur confortables afin de rendre votre extérieur plus chaleureux et accueillant.
- ✓ **Une pelouse verte:** Un beau gazon peut augmenter la valeur de votre maison, assurez-vous de bien l'arroser et la fertiliser lors des canicules.

I continue exhibiting my work at various county and state venues. Several of my photographs have been juried to be part of several exhibitions. develop a high level of technical skill, utilizing advanced photography techniques and equipment to capture stunning wildlife and landscape images. This includes mastering lighting, composition, and camera settings to achieve the best shots in challenging outdoor environments. During a recent photoshoot, I was fortunate enough to work with Jan Morvay. He wants to establish himself as an actor. He is 24 years old, from Slovakia. At the moment he is working in the US as an au pair. Since he finished high school he has been traveling the world working various jobs. He likes to meet new people and their traditions. He is still young so he enjoys this type of lifestyle that gives me great experiences. As of now he is training for my first marathon. Running and gym are my hobbies that he has been doing for almost 10 years. I did his first half marathon this year so I'm working hard and feeling ready to take a big step and try full marathon this February in Austin, TX. His another big goal and more like a dream is becoming an actor. He loves acting and being in front of camera. He played some roles in some movies and short scenes back in Slovakia, so he is trying to make it here, on the big stage in USA.
