Daniel Ashton-Lincoln is a rising British actor currently building strong momentum across film and television. He has recently been cast in a lead supporting role in G.O.D.TECH 2: Battlefield of the Mind, where he will be working alongside established actor Anton Lesser, marking a significant step forward in his screen career. Known for his grounded presence and emotional range, Daniel continues to develop his craft through a combination of professional training, self-taped work, and on-set experience.

Alongside his recent casting, Daniel has been actively auditioning for major productions,

including Time Season 3, reflecting his growing presence within the industry. His recent work has seen a notable increase in audition opportunities, as he transitions into more substantial roles and builds a strong, versatile showreel.

With a disciplined approach to both performance and preparation, Daniel remains focused on long-term growth, consistently refining his skills while gaining valuable industry experience. As his profile continues to rise, he is establishing himself as a committed and emerging talent to watch.

My name is Liza Crilly Tyner if Namli InCompany Photography and I have built my journey in photography around a clear and evolving vision: to create images that feel raw, emotional, and deeply human, while still carrying the presence of high-end, editorial artistry. As a professional photographer based in Southern California with over 15 years of experience, my goal is not just to capture beautiful photos, but to build a legacy through storytelling—focusing on confidence, connection, and authenticity in every person I photograph. I am especially drawn to family, portrait, and boudoir photography, often working in natural coastal environments where light and emotion come together in an organic way. At the same time, I continue to push my creativity by exploring high fashion, fantasy, and luxury editorial styles, blending realism with imagination in a way that feels intentional and real.

Through Namli InCompany Photography, I have developed a strong and recognizable brand identity that reflects both elegance and emotional depth. I have created campaigns, promotional materials, and full ad systems that mirror magazine-level quality, while also collaborating with a wide range of clients and notable individuals. These achievements represent not only my experience, but my ability to turn vision into something consistent, powerful, and marketable.

My dreams are centered on growth—both creatively and professionally. I want to elevate my brand to stand alongside high fashion publications and major creative platforms, while still staying true to the authenticity that defines my work. I am passionate about meeting new people, working with new models, and creating images that help others see themselves as confident, strong, and seen. I also recognize the challenges I face, from balancing realism with high-fashion polish to maintaining consistency across my brand while growing a business. But those challenges continue to shape me, refine my skills, and push me closer to the legacy I am determined to create.

MES CONSEILS POUR METTRE EN VALEUR VOTRE PROPRIÉTÉ CET ÉTÉ!

- ✓ **Aménagement soigné:** Assurez-vous que la pelouse est tondue, que les mauvaises herbes dans les parterres de fleurs sont entretenues et que la façade de la maison est propre et attrayante. Un coup de peinture frais sur la porte d'entrée peut faire des merveilles.
- ✓ **Faites des travaux d'entretien:** Profitez de la période estivale pour régler les petits problèmes d'entretien, comme les robinets qui fuient, les ampoules grillées, les portes qui grincent, etc.
- ✓ **Jouez avec la lumière naturelle:** L'été, la lumière naturelle est abondante. Ouvrez les rideaux, les stores et les volets pour laisser entrer la lumière. Assurez-vous que les fenêtres sont propres pour maximiser la luminosité à l'intérieur.
- ✓ **Créer une ambiance estivale:** Des coussins colorés sur la pelouse et une table dressée pour un barbecue imaginaire dans le jardin peuvent aider les acheteurs potentiels à visualiser leur vie estivale dans la maison. Ajoutez des touches décoratives comme des lanternes, des plantes en pot et des meubles d'extérieur confortables afin de rendre votre extérieur plus chaleureux et accueillant.
- ✓ **Une pelouse verte:** Un beau gazon peut augmenter la valeur de votre maison, assurez-vous de bien l'arroser et la fertiliser lors des canicules.

I graduated from PT school as Valedictorian of my class and started my own private practice before the age of 30.

My name Liza Crilly Tyner and Through everything I've built with Namli InCompany Photography, my path reflects a strong drive to create work that is both emotionally powerful and professionally elevated. My dream is to capture images that feel raw, real, and deeply human—photos that don't just look beautiful but make people feel confident, seen, and empowered. I'm not aiming for ordinary photography; I'm developing a signature style that blends authenticity with a high-end, editorial finish.

My goals are focused on growing my brand into a recognized luxury-level presence, using refined ads, magazine-style campaigns, and creative concepts that range from family and beach sessions to bold fashion and fantasy work. I want my work to stand out not just for how it looks, but for how it makes people feel. Along the way, I've already achieved a lot—I've built a distinct visual identity, created consistent campaign layouts, and developed strong creative direction across multiple styles while staying true to my brand.

At the same time, I face challenges that come with growth. I'm constantly working to balance realism with artistic enhancement, making sure my edits stay natural while still feeling polished and elevated. I'm also pushing myself to stand out in a competitive market and turn my creative vision into a sustainable, scalable business. But through it all, I'm continuing to refine my craft, knowing that every step is bringing me closer to a brand that is both emotionally authentic and undeniably high-end.
