Sarah Bernard

My name is Sarah Bernard and I am 13 years old. My dream has always been becoming a professional ballerina. I train hard every day to achieve my goal. I started dancing at the age of 5. Since then, my passion for dance grew even bigger, day by day. In the past, I participated to many dance competitions and got awards in all of them. Every day, I dance for about 4 hours and then I go to school. My family supported me a lot in my journey. I am very

grateful to them and all of those who did too. I always am looking forward to improve my weaknesses and get over my challenges. Dance is my way of speaking and expressing myself. It helps me getting out of my confort zone and be in a whole different world.

I am a 11 Year Old Level 9 Gymnast from Texas. I first made our Team at age 9. But because of Covid, I did not compete until age 10. I competed as a Level 7. In my first year competing, I finished 6th in State and 8th in Regionals. So I was happy with that since I competed in a total of 6 meets. I am skipping Level 8 and will be competing as a Level 9. My goal is to compete as an Elite Gymnast in 2023. To do this I will be competing in HOPES next season and hopefully then move to Elite.

I am Evelina Kachanova from Ukraine. I play tennis. I also enjoy gymnastics, swimming, skiing and playing pin pong. I really like to travel and learn about the cultures of other countries. My main achievements are that I always train and enjoy it. My dream is for as many children and adults as possible to play sports. Karissa is a 14 year old all-star cheerleader. This is her 1st year in cheerleading. She started gymnastics when she was almost 6 years old. Her gymnastics career took her from recreational gymnastics to the Junior Olympic route, finishing level 7. Her accomplishments in gymnastics involved floor state champion and many 1st place wins. After finishing level 7, she knew college gymnastics may be out of reach. At this time she wanted to take a new path and train for Acro and Tumbling. It is a newer sport offering gymnasts and cheerleaders new opportunities to continue in college. To learn how to stunt for A&T, cheer was a

great avenue to take. She has attended a few college A&T clinics, and takes a flight class to learn how to be a flyer. She plans on heading to Baylor University for their summer acro camp. Baylor being her dream school to become a surgical nurse. With her gymnastics career and now they next 4 years in cheer she hopes to be a well rounded athlete who will be attractive to many A&T colleges. We are excited to watch her journey as she grows in the sport she loves.

Layla

Hi! My name is Layla and I am a competitive gymnast at World Class Gymnastics Too. I started gymnastics when I was 18 months old, but even before then I knew I wanted to be a gymnast! My big sister is a gymnast and I always wanted to be just like her! Now I am 7 years old and am a level 4. I am also in the TOPs program. I tested over the summer, when I was still only 6, and made it to the TOPs diamond team! I had the 4th highest score in the country! I was so excited! My goals for gymnastics this year are to better my kip cast

handstand and get my back handspring on the high beam! Competing hasn't come easy to me, I get really anxious before meets! So another goal of mine is to just remember to have fun and stop letting my anxiety take control of me! My long term gymnastics goal is to stay strong and healthy and be able to get signed to do gymnastics in college! I would also love to coach gymnastics so I can share with the world my love for this amazing sport! Follow me on Instagram @leoloving_layla
