# Emmaline Buntyn

Emmaline "Emma" Buntyn got her start in gymnastics at the age of 1.5. She started in a Mommy and Me class and was quickly promoted to preschool gymnastics. From there, she was selected to join the pre-team as a 3 year old. When Emma was 5, her gym shut down due to COVID. Emma continued to work hard at home and follow the virtual workouts. At the age of 6, she was selected for the Level 2 team for the 2020-2021 season at Metroplex Gymnastics. Her season highlights included several first place finishes on Bars and scoring a 9.8 on bars at the Metroplex Challenge! She also placed 3rd All-Around. For the 2021-2022 season, Emma competed Level 3. She again shined on bars with several first place finishes becoming the District Junior A Bars Champion. Emma was invited to move up to Level 4 mid-season. However, she was plagued by

injuries, first breaking her ankle and then her elbow during training. Emma recovered quickly and came back stronger than ever for the 2022-2023 season as a Level 4 gymnast. At her first state meet, Emma placed 5th on Bars, 8th on Beam, and 9th All-Around. Her best meet of the season was the 2023 Metroplex Challenge. She earned a career high All Around score of 37.75, a gold medal on Beam, silver medals on Bars and All-Around, and bronze medals on Floor and Vault. Currently, Emma is training 17.5 hours per week under coaches Emily Samuelson and Noah Forbus at Metroplex Gymnastics. Emma is training Level 5/7 skills, and hopes to move up to optionals within the next year. Her ultimate goal is to receive a college gymnastics scholarship!

My name is Fynn and I am a 16 year old level 10 gymnast. I started gymnastics when I was 3 years old and I loved it from the start. My coaches have always said that I have a lot of talent. The turn elements I like the most are parallel bars, high bar, floor and rings. I like Vault and Pommelhorse less. My biggest dream is to be able to take part in the Olympic Games and maybe win a medal. My goal for the next few years is to become German Champion and European Champion in gymnastics. I have participated in many competitions and most

of them have been very successful. Well, I got a lot of first places, but also a few second and third places. But getting there wasn't always easy. I had a lot of injuries and doubted myself. Sometimes after a long practice I didn't get an element right and wanted to give up, but for some reason I never did. Those were the most challenges I've had in my career. My tip to all the people out there: never stop until you make it because if you give up you'll never know if you wouldn't have made it after all.

# Korotkova Darina

every chance to show that I am able to do at the competitions. I have already taken part in 13 championships and won 14 medals.

Breezy's goals and plan is to work hard every day to be the best that she can be. The sky is the limit if you work hard and Breezy's journey has just

begun!!! She is focused in the gym and always working to do more at home. She loves gymnastics and it makes her happy to learn new skills!

I began my gymnastics journey at the age of three. It was shortly after I started doing gymnastics, that I realized that this was not just a hobby, but more of a passion, and I knew that at such a young age that this had the potential to take me somewhere very

far in my future. My goal right now is to be the best version of me that I can be and to strive to take my talent to the US Olympic team.

My name is Skye Hudson. I am a 10 year old gymnast specialized in Trampoline and Tumbling. Currently, I am a Level 9 trampolinist with the goal of becoming Elite at age 11. I am working toward my dream of competing in the World Championships and one day earning a spot in the Olympic Trials. I made an agreement with my

parents and my coach when I was 6 years old that if I get to the World Championships, I can get a dog.

Through perseverance, hard work, and my family's support, I will get my dog and become a world champion one day!
