MES CONSEILS POUR METTRE EN VALEUR VOTRE PROPRIÉTÉ CET ÉTÉ!

- ✓ **Aménagement soigné:** Assurez-vous que la pelouse est tondue, que les mauvaises herbes dans les parterres de fleurs sont enlevées et que la façade de la maison est propre et attrayante. Un coup de peinture frais sur la porte d'entrée peut faire des merveilles.
- ✓ **Faire des travaux d'entretien:** Profitez de la période estivale pour régler les petits problèmes d'entretien, comme les robinets qui fuient, les ampoules grillées, les portes qui grincent, etc.
- ✓ **Jouer avec la lumière naturelle:** L'été, la lumière naturelle est abondante. Ouvrir les rideaux, les stores et les volets pour laisser entrer la lumière. Assurez-vous que les fenêtres sont propres pour maximiser la luminosité à l'intérieur.
- ✓ **Créer une ambiance estivale:** Des coussins colorés sur le patio et une table dressée pour un barbecue imaginaire dans la cour peuvent aider les acheteurs potentiels à visualiser leur vie estivale dans la maison. Ajoutez des touches décoratives comme des lanternes, des plantes en pot et des meubles d'extérieur confortables afin de rendre votre extérieur plus chaleureux et accueillant.
- ✓ **Une pelouse verte:** Un beau gazon peut augmenter la valeur de votre maison, assurez-vous de bien l'arroser et le fertiliser lors des canicules.

My name is Rose Johnson. I have achieved level 8 in Arizona regionals . In the final, I competed with the best of the best. There were serious amazing gymnasts in the ring and that was my toughest meet so far. I hated waking up early in the morning, still I managed to wake up to train

myself for the tournament and it paid off. i didn't pay attention to my fears and geared up for the win and converted that into a win. I am proud of my endeavors so far and excited for the upcoming events.

Dylan Shekhter

Dylan Shekhter, age 8 loves the sport of gymnastics and hopes for one day to go to a D1 school with Olympic goals in mind. Practicing every day with his coach that he very much admires at Lakeshore Academy of Gymnastics is what he looks forward to every day after school. He is a part of a wonderful program with a great team of boys that challenge him to be his best. This past year Dylan has had a significant growth in learning new skills and body awareness that have helped improve his overall body strength and agility. Dylan has recently leveled up and while learning new skills is exciting, he does struggle with his greatest fear

of heights. His coach is wonderful and helps him conquer his fear by learning body control and mind over matter motivation. Dylan was very excited to close this season out on a high note taking 1st place all around at the Illinois State Meet as well as 1st place with his team. Dylan also represented the Illinois State Team at Regionals finishing in 6th place all around and 1st place with his team. Dylan looks forward to learning his new routines, gaining strength and chasing that Olympic dream!

My name is Megan Hyson. I like to play with the bars and beams. Whether they fall on me Or not, hardly matters. i am preparing hard for my tournament which is due next month. I hope to perform well there. In the last tournament in Florida, I had received a gold medal. My coach deserves a special mention for that. I'll never

My name is Jessica Elizabeth. I am a level 5 gymnast right now. I started with level 3 . A quick year to achieve all this.

I started my journey in 2022. It's almost been two years now. Glad to be a part such a supportive eco system . I started gymnasium back in school. It was fascinating to see my

seniors being able to stretch so well.

The challenges I face is mostly the coherence between my school and training. I try to maintain the balance as much as possible.

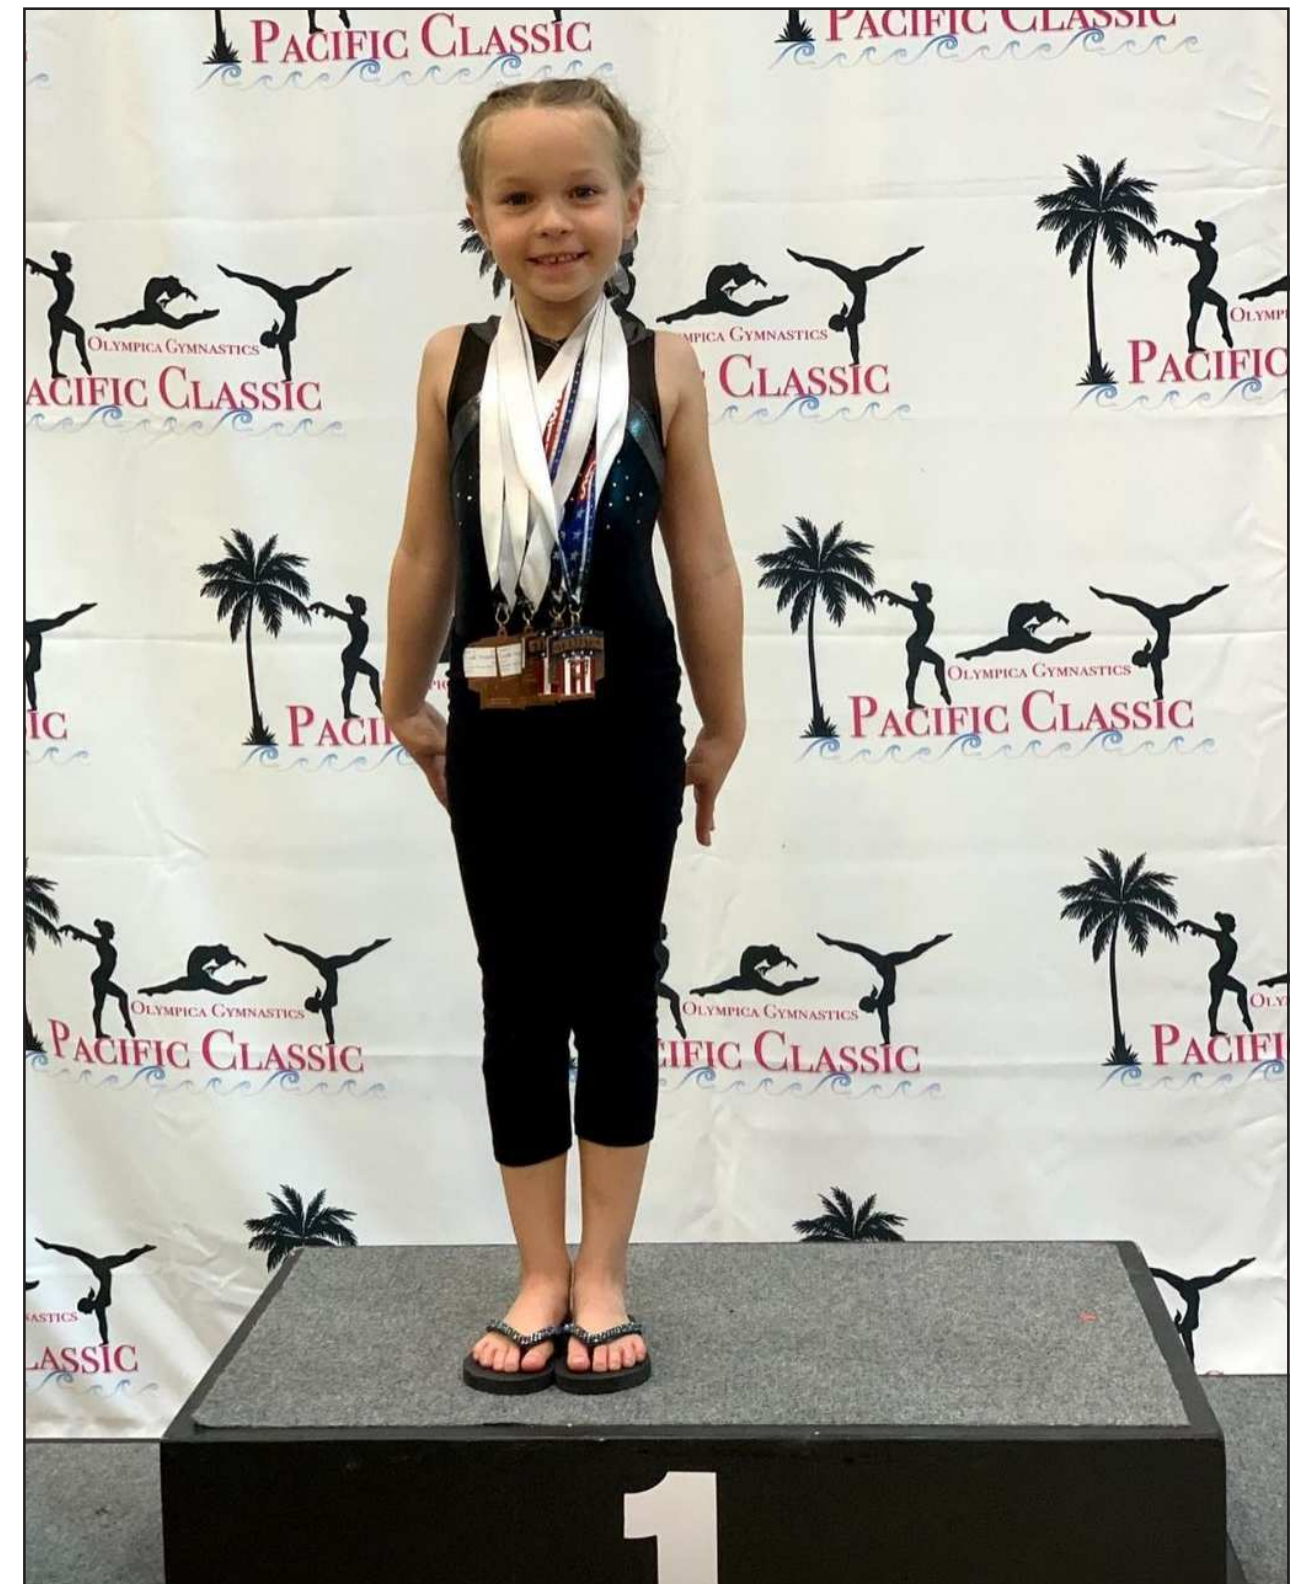

My dream is to win the senior state championship . It's a long way ahead.
