Bustie Beaker, or otherwise known as the Boss Lady of CSW. I am co-owner of a Colorado based independent wrestling company as well as a burlesque dancer and aspiring model. My wrestling company is Colorado Springs Wrestling, if you can't find me there you'll always catch me performing at La Burla Bee in Colorado Springs with the Champagne Cabaret productions. I truly enjoy performing and I love showing everyone my many talents. I have competed in GLCC for burlesque and am starting to start my journey of performing in other states. You can actually find me in New Orleans August 25th/26th. My journey hasn't always been easy, I am a plus size performer so the doors haven't always opened for me. It's been my mission to break down those barriers with full force. All body types are absolutely gorgeous and should be celebrated. Just don't be an asshole and you're cool in my book. I am an Aries and truly believe you receive what you put out into the universe. I am fiery, bold and fierce to be reckoned with. A little quirky fact about me, my name Bustie Beaker. I got the bustie name for obvious reasons. But the Beaker, it has to do with my love for Muppets. I have loved the Muppets since I was a little girl and I thought there was no other fitting name than Beaker. I love what I do as a performer and I love showing off my many assets, it's my hope that you appreciate and celebrate the energy, love and beauty that I try to put out into the universe.

I'm a southern, redneck, country model, that dreams of going as far as I can not only in modeling, but in beauty pageants as well.

I compete in beauty pageants, without covering my tattoos, and without hiding who I truly am.

I feel everyone that wants to pursue their dreams, should, without anything, or anyone holding them back. I'm very passionate about pageantry, and proving that even someone like me, can have the same chance as the ones that everyone pictures, when they think of a beauty queen.

I am the current titleholder, Crown of California Ms/Mrs 2023, and will be competing in the Crown of America Pageant on September 2nd.

I am also the former titleholder for the following:

Ms. Pardeeville 2019-United States Pageant
Ms. Wisconsin Petite 2019-2020-Petite USA Pageant

I'm also passionate about fishing, hunting(especially bow), mudding, ATVing, camping, boxing, MMA, and obnoxiously loud, lifted and big tired trucks.

I have had some major setbacks, the last 2 years, due to my health issues, that have escalated quite a bit.

I ended up with Lymes disea5, for a second time, that's incurable now, and caused not only other health issues, but caused the ones I already had, to quickly worsen.

I have POTS (Postural Orthostatic Tachycardia Syndrome, HEDS (Hyper-mobility Ehler's Danlos Syndrome, and a vascular disease, that I just recently had confirmed, but don't know the name of yet. Doctors also say that I may end up with more added toy already long list of issues.

These diseases have caused me to be unable to work, and I had to put my entire life and dreams

Jaads

on hold, but I've decided it's not going to stop me from living anymore.

I started modeling and competing in pageants again, and will be slowly trying to get back into hunting, amateur boxing and amateur MMA as well.

I don't want my health issues to stop me from being my authentic and true self, nor from

chasing my dreams, and reaching for the stars anymore.

This is me, and I'm ok with it. I am me, and I am not your paperdoll!

The Goddess
I She Her Me I am thee
For many years to come I belong within
As I share this knowledge of my journey life
Calls me to just confirm and keep going
Instead we call out beyond the land seeking

All life has to offer
The idea of uplifting and inspiring our people
engaging wisely with wisdom
My passion bonded to me like the waters of the
sea unbounded
untouched what can't be described

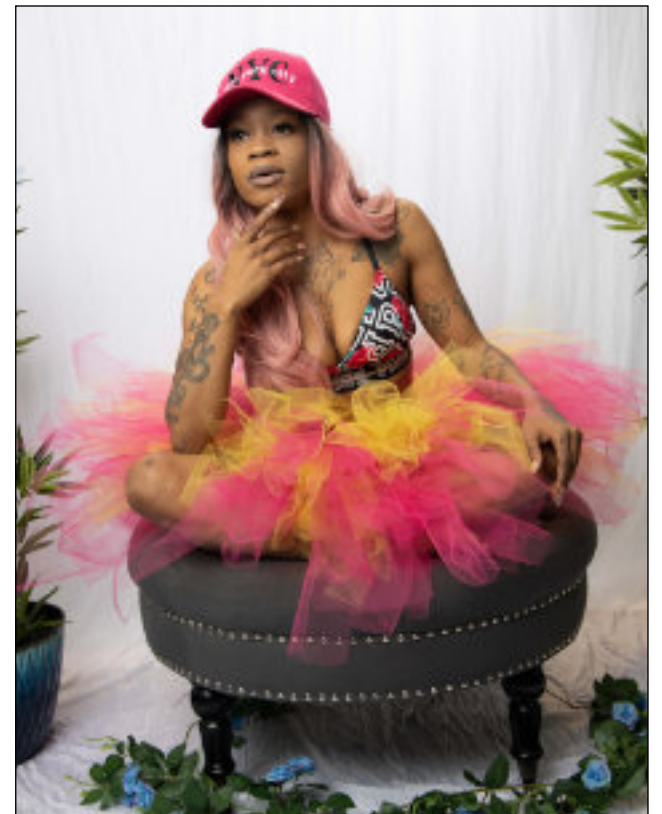

Why do you love the woman you're in love with? Because she is. And that, after all, is God's own definition of Himself; I am that I am. The girl is who she is. Some of her isness spills over and impregnates the entire universe. Objects and events cease to be mere representations of classes and become their own uniqueness; cease to be illustrations of verbal abstractions and

become fully concrete. Then you stop being in love, and the universe collapses, with an almost audible squeak of derision, into its normal insignificance
