My names Faye Delune, and I'm A Professional Model, Musician, and Photographer, (Delune Photography) of over 10+ years, but I'm really just an all around creative person and artist. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning Modeling, Music and Photography at The Professional Level and really enjoying the artistic aspect of it all. In the 10+ years, as a model, musician, and photographer, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, musician, or photographer, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

I love making art, and love showing it off.

I hope you enjoy my work, and I welcome you to my world.

My dreams and goals for myself via my craft consist of the spreading of acceptance and liberty, and a longevity of stability for my family and generations to come. Most of my challenges stem from self doubt, or other personal vices like esteem issues, and second guessing. After venturing to Atlanta approximately four years ago to pursue modeling and further my writing skills

I've branched into film work as well. I have been featured in plenty of prominent movies, tv shows, music videos, and a few commercials. The ultimate goal is to make "Pasqualé Domain" a household name and brand alike.
