My names Faye Delune, and I'm A Professional Model, Musician, Artist, Writer and Photographer, of over 10+ years, but I'm really just an all around creative person and artist. I make a lot of different forms of content and art. Online Content is my main form of Art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning Modeling, Writing, Music, and Photography at The Professional Level and really enjoying the artistic aspect of it all. In the 10+ years, as a model, musician, Writer and photographer, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Books, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Throughout My Career, I Have Also Been Awarded and Published Over 5 Thousand Times! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously

this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, musician, or photographer, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

I love making art, and love showing it off.

I hope you enjoy my work, and I welcome you to my world.

**\*\*Color Your World, Express Yourself and Create a Journey Filled with Magic\*\***

In the world of art and creativity, the path to success is rarely straightforward. For me, it has been a journey filled with dreams, relentless pursuit, and overcoming significant challenges. As the driving force behind DbS Creative Studio, my passion for art is not just a career but a lifelong commitment. My ultimate goal is to see DbS Creative Studio flourish, becoming a renowned name in the art world, celebrated for its authentic and captivating pieces.

One of my proudest achievements is being a well-versed creative professional with a diverse skill set. My expertise spans creating art, graphic design, brand development, modeling, singing, dancing, and videography. All of my creative ventures outside of artwork live under my personal brand, ShariceOmari. As ShariceOmari, I embrace every facet of my creativity, showcasing my talents and dedication.

Financial instability has been one of my heaviest burdens. Growing up in a financially unstable environment, I often lacked consistent support, guidance, or love, particularly after the devastating loss of my father to cancer. This profound loss has been a source of both sorrow and strength, driving me to work tirelessly toward my dreams.

In addition to financial struggles, societal preconceptions have posed significant challenges. As a professional model and creative, being judged for my appearance has often led to missed opportunities and unwarranted prejudice. Instead of being disheartened, I used these experiences as fuel to create my own opportunities, proving that resilience and determination can carve paths where none existed.

My journey is a testament to the power of perseverance and the belief that dreams are worth chasing, no matter the hurdles. DbS Creative Studio is not just a business; it is the embodiment of my vision, hard work, and unwavering commitment to the arts.

Through every struggle and triumph, I continue to push forward, driven by the desire to inspire and create.
