Dreams: I have tried almost every sport, but Jiu Jitsu has been my calling. I dream to one day receive my black belt and be able to travel all over the world to compete.

Goals: My goals are to get better with every roll. I train consistently, usually 6 days a week and it pays off. My main short term goal will be tested this July in Orlando where I hope to take Gold at Pan Kids 22!

Achievements: In school I've tried really hard and made Honor Roll thought 3rd grade. In Jiu Jitsu I have medaled at every tournament I have ever fought in. I have gotten awards for the fastest submission to advanced bracket belts. For IBJJF, I won Bronze at Pan Kids 21 after only training for 6 months and walked away with Gold in the Atlanta Open 22.

Challenges: Balancing family, friends, school and Jiu Jitsu. Having a father in the military, he can't always attend all the tournaments and practices that he wants to. I am tall and skinny, so finding a Gi that fits is always a struggle too.

Dahlia “The Firecracker” Fontanilla is currently 7 years old and has been training in Brazilian JiuJitsu since the age of 5 (and a half) and in MMA since the beginning of 2022. She currently holds the rank of GREY belt and trains at RAW MMA in Jacksonville, NC under the Flavio Behring Affiliation. She used to spend her days watching her older brother, Kenny “G6” Fontanilla, on the

mats and one day she decided to join him. She was a natural and caught along quickly, according to her coach, Chino Duarte. Dahlia has competed in several jiuJitsu tournaments such as Newbreed, NAGA, Fuji, CXBJJ and Chickjitsu and has been awarded with many medals. She is also a Chickjitsu ambassador and loves to spread her love of jiuJitsu, to inspire other girls and women to get on

the mats and train! She loves to learn submission techniques and her favorite submission is a rear naked choke. She would love to earn her black belt one day and possibly fight as a professional in Mixed Martial Arts. Please give Dahlia a follow on her Instagram @fightin.fontis.bjj to keep up with her martial arts journey!

Mason

My biggest dream is to play and win games for my country. I think I need to give more time to my game to fulfill my dream, this stands as my biggest challenge.

Mason

My name is Rosalie Wood, I am 8 years old and I am involved in club soccer with the Solar soccer club, Wrestling with my future high school team and Jiu-jitsu with CAYA martial arts, I even gave Lacrosse a try for a season. I love just competing in all sports, this summer I am considering trying out judo, horse riding and gymnastics.

I love walking onto the mats at the tournament and can't wait for the ref to blow his whistle to start the match! Before and after every competition I always pray with my family to help calm my nerves and get my head in the game. I love that my family members compete in the tournaments too so we get to spend the day together cheering each other on.

I still get very nervous before the fights but I try and remember our family motto. We are Star Wars Fans so our motto is from Master Yoda "Do or Do Not There Is No Try." because of this motto I always want to be the best at whatever I do in life so I go into the match with everything I have.

I started jiu-jitsu in April of 2021 and after 3 months the coach said I was ready to compete! I have competed at jiu-jitsu world league in gi as a white belt 4 times and won 2 golds and 2 silver. I also competed at AGF and got 1 gold for gi and 1 gold for no gi. Soon I will be a grey belt and hope to compete in some submission hunters and IBJJF tournaments.

This April my sister's high school coach asked if anyone had siblings that wanted to do spring freestyle wrestling so I joined the team! After only 5 lessons I went to my 1st match and got 1st place in freestyle wrestling going against boys. I also tried out Greco-Roman and got 2nd place! I went to several other tournaments and ended the season the last week of May winning Gold at the Texas State wrestling and the Womens National wrestling tournament that was held in Fort Worth Texas.

I have been playing soccer since I was 4 years old. I love my teammates and my

coach, together we have brought home many trophies and medals over the years for indoor and outdoor soccer.

I tend to be very quiet and shy but I do enjoy the friendships I have made with other competitors as we sit on the sidelines and in the bullpits before the matches and games.

One day when I'm older I hope to be a world champion in at least 1 sport.

I have thought about maybe joining the military when I am older so I can travel the world competing for them. My ultimate career choice when I am grown is to be a dentist. I love teeth and I enjoy going to the dentist, so I hope one day I can help others not be nervous of the dentist so everyone can have healthy teeth.
