My name is Isabella, I am 9 years old, I am from Caracas, Venezuela, I have been living in the United States for 3 years, specifically in Kissimmee, Florida, I have been practicing Jiu-jitsu for 7 months and since the first time my dad took me to train, I fell in love with Jiu-jitsu and now it is an important part of my life... I train 6 days a week... and I combine it with functional exercises and meditation exercises and I love it... as my dad says, the martial artist must maintain a balance

between the physical and the mental... this has made me taught that the most important thing is to be a good person, respect others, be disciplined, constant, bold and always fight for my goals and dreams... never stop and always keep moving forward... the impossible does not exist... if you put your mind to it you will achieve it... my passion for jiu-jitsu...

My name is Kailey Frank and I am 18 years old.

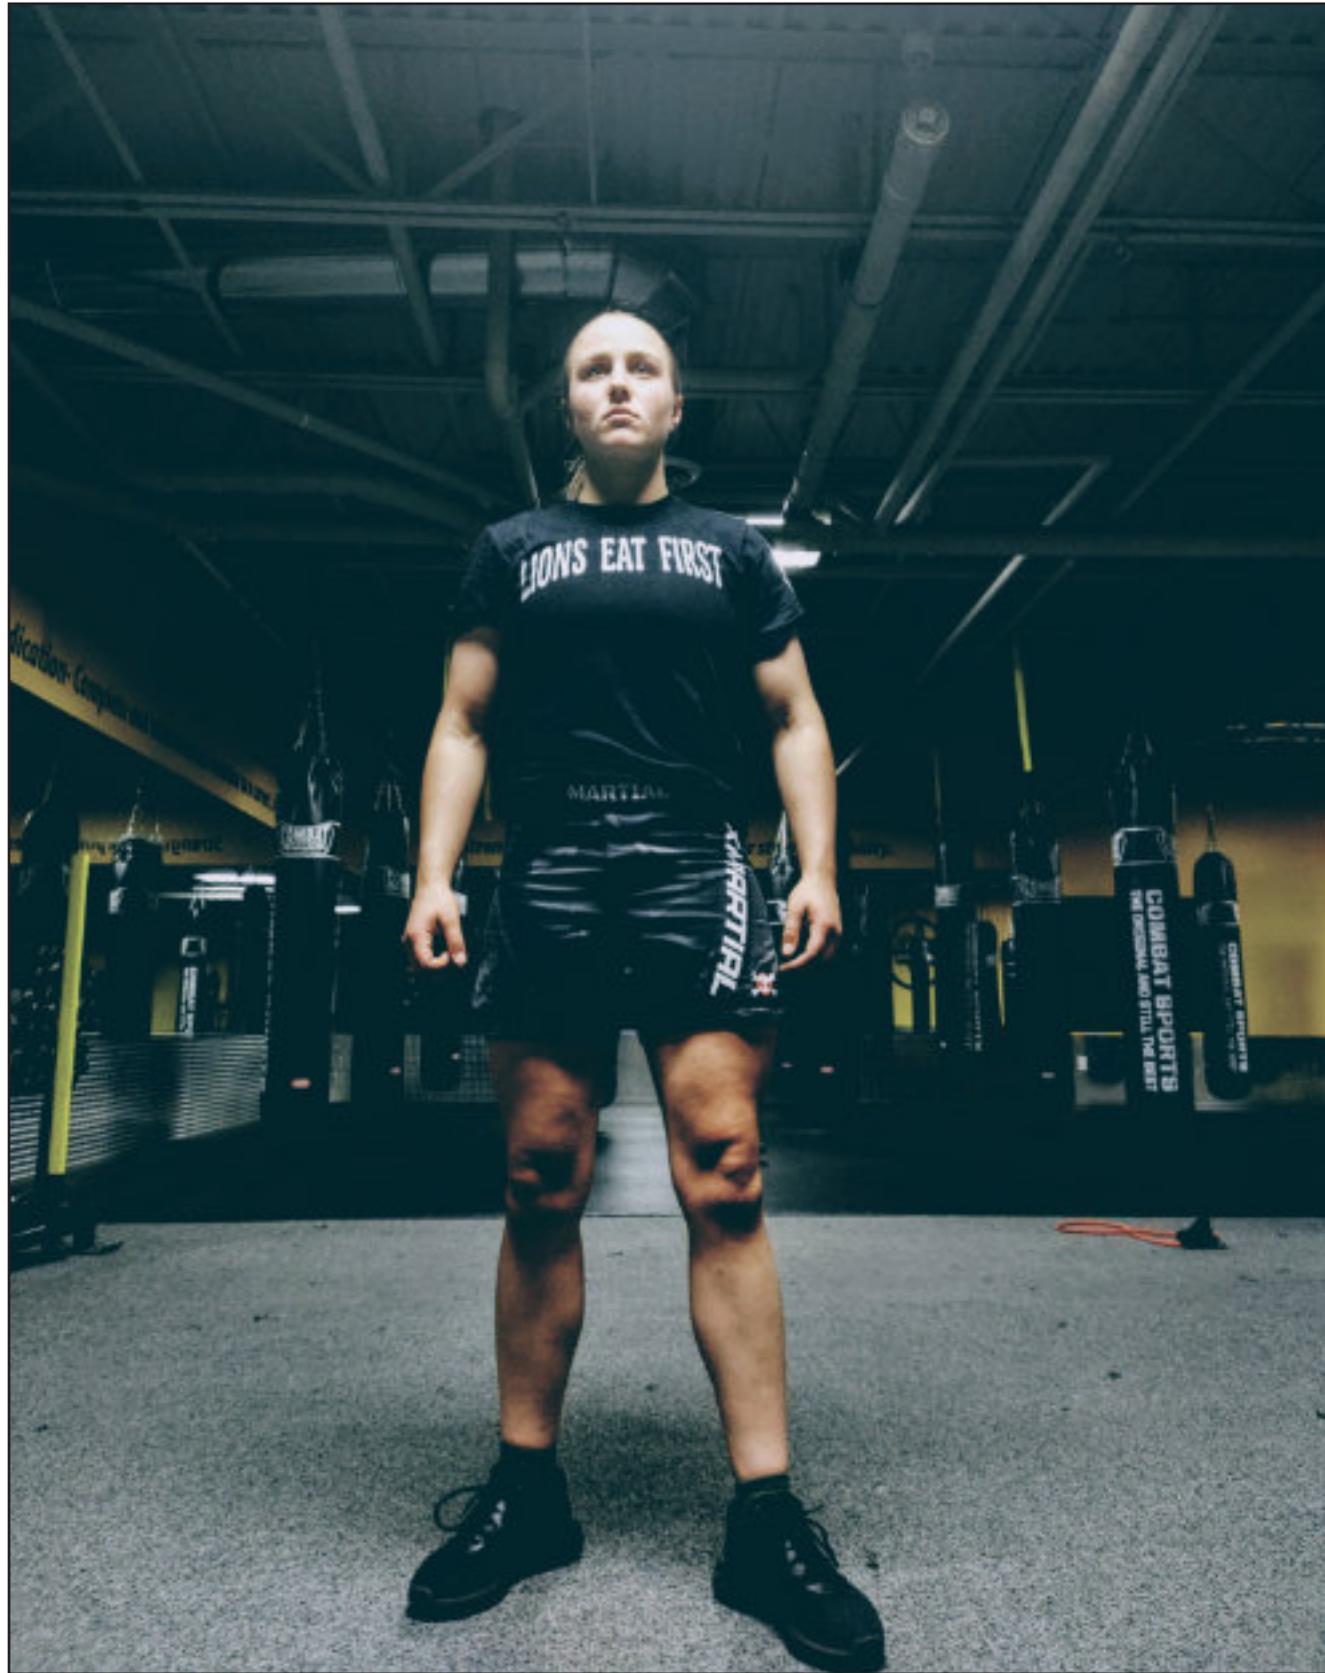

I have been training in MMA and Brazilian Jiu Jitsu for 3 1/2 years, My number one goal is to fight in the UFC and be a champion one day. The reason I got into MMA was Ronda Rousey, when I was 9 years old Ronda Rousey had her first fight in the UFC and I thought that was the coolest thing ever and

since then I told myself I wanted to be a fighter just like her. So after years of saving money to train at 14 years old I started my MMA journey, I have made a lot of sacrifices to be where I am today and I don't regret any of them. A lot of people don't understand my dream but that's okay because I do. Some of my accomplishments include being 2-0 as an MMA fighter, holding the rank of Blue belt in Brazilian

Jiu Jitsu, traveling to different states to compete at Jiu Jitsu tournaments and having earned 15 medals, 10 gold, 5 silver. I am also an Elite Ambassador for FNX Supplements. I have a long way to go but I know that if I trust in God and work as hard as I can it will pay off. I believe that one day I will be in the UFC and I just can't wait to here Bruce Buffer yell my name and say "it's time"!

My name is Lincoln Schloss, from Las Vegas, Nevada. I am 18 years old . I play Brazilian Jiu jitsu. My only motivation is to stay hungry, foolish and never

settle. Last month, I lost the state championship but never to be disheartened, though I am disappointed but proud to be on such a big stage. I made some

mistakes in life but again that's how we grow. The loses are as important as the wins, I hope to win the nationals soon.

My name is Rodolfo Jose Cabrera aka RJ "Ruthless" Cabrera. I am 7 years old born on October 10, 2014 in Miami, Florida. At the age of 6, I began my JiuJitsu and Wrestling Journey. I joined Art In Motion in February 2022 where I fight for their competition and wrestle team. Since joining their school I train 6 days a week, I have exceptional drive and work ethics to match. My love and passion for the sport is second to none. This past year I began competing and traveling outside my city. I enjoy putting myself to the test. When I am on the mats I feel fierce and unstoppable.

My most memorable moments this year have been jumping in our family car with my parents and sister driving out 300 miles to another city to compete. Everyone in my family has a special job when I travel. My mom coaches me, my dad gives me the best pep talks and my sister cheers me on, screaming endlessly until my match is over. I couldn't do it without them nor my mentors, coaches and team mates back home.

I most recently secured quadruple Gold in Tampa, Florida at a Newbreed Competition and Bronze in my most recent wrestling tournament fighting up in age: 9-11. I hold that medal most dearest to my heart because it was a tough win. I have also been victorious bring home the gold at other tournaments and having over 45 fights won this year.

On my time off I enjoy spending time with my family and friends in the ocean on our boat. My batteries recharge when I am one with nature.

My goals for this year is to sweep my division in all of the tournaments held in Florida, eventually conquering state by state. I would also like to be debuted in a super fight. My dream is to wrestle for Christopher Columbus High School and receive a full scholarship for the University-of choice Penn- State. My academic are just as good as my fight game. I live and breath my motto... Stay Humble and Fight Ruthless.
