available on Amazon.com There you can find all his work availble in Kindle, Paperback, & a few in Hardcopy Editions as well. All reseasonably priced. His four new books are as follows: Two are strictly about the system he created called Taikyokuken Ken Sho-Ryu. they are Taikyokuken Ken Sho-Ryu the Kung-Fu side, & The Art of Kenpo. One is entitled: The Breath of a Dragon & is a complete look behind his life & what brought him to where he stands today, & the last is a book entitled: The Darker Side which is all about poems of a darker nature.

Speaking of his creation earlier this month of September 2022 Shidoshi was offically inducted into the World Headmasters Sokeship Council & his art of Taikyokuken Ken Sho-Ryu was fully

accepted & documented. Shidoshi recieved his new title of Soke which is the highest honor any Martial Artist can achieve. The term Soke means the Founder of a system.

Soke Faraday is looking to achieve all that he can from himself & from his students, but has this to say in finishing his interview: "A grrreat Sensei works with the abilities of students he has, & works with them to expand their herizons & skills to make them better at which they seek to endeavor, & the greatest gift any student can ever give to their master is to watch them achieve great accomplishments in which ever they choose to succeed in."

STUDENT HIGHLIGHT

LIZ & JAKE

Jake has been in Brazilian Jiu-Jitsu for around 2.5 years. After a long time spent convincing his mum to give it a go, Liz finally got on the mats early this year and has been hooked since!

They both love how technical BJJ is, and now live and breath it everyday. It's a humbling journey and they have made a lot of friends here that are now more like family. Liz loves that there are great male role models here at the academy for Jake, that inspire and encourage both of them.

Jake is especially bonded with his first Professor Sean, who encouraged him to get into competitions. Now with the guidance of Professor Renan too, he loves to compete and to work on his strength and conditioning training. If he gets your back watch out! The Rear naked choke is his favourite.

Open mats is Liz favourite, because she gets to roll with all different skill levels and sizes, testing out what she learnt during the week and is quickly mastering the lapel choke! She also enjoys a cheeky Margarita with the other women after class.

When Jake first started he was really closed off and shy but now he has a lot more confidence and opened up showing his personality freely. He is grateful for the close friendships he has made with his BJJ peers over the years.

Jake also loves robotics, engineering and is a maths and science wiz! He already has big dreams for his future and we know he will be successful in whatever he puts his mind to.

When they're not training hard in BJJ or Muay Thai you'll find them exploring waterfalls, cooking and enjoying the beach. Whenever they can, they're off visiting family and friends in Greece and Egypt!

My name is Samuel Hulsey. I live in Texas, US. I live any team I play for, proud. I feel Recently, I completed my 4 years in Texas, US. My dream is to proud to have my coaches, they in jitsu training. Once again, I become a professional jitsu are so cool and experienced. I would like to thank my coach for player and make my club, state or owe several medals to them. being in this journey with me.

My name is Jake, I'm 8 years old and my nickname on the mats is the Ninja Prince. I have been training BJJ for 2.5 years at Galeb Brothers Gold Coast under Professors Fabio Galeb, Renan Hideki and my favourite Assassin Professor Sean Macfarlane who now has his own Galeb gym at Yatala. I love, live and breathe BJJ everyday Porrada. My favourite sessions are my privates with Professor Sean where we focus on strength and conditioning as well as technique, drills and rolls. My signature submission is the killer rear naked choke. I have gained so much confidence and a real brotherhood

and friendships through BJJ. If I'm not training BJJ I love Muay Thai with my Coaches Jasmine Parr and Wayne Bowman from Boonchu Gym. I enjoy school and particularly maths and science. I love competing in BJJ it's like chess and extremely technical. I like anything physical and adventures in the great outdoors. I am loving my journey to Black Belt and hope to be an Assassin like my mentor Professor Sean one day.
