My name is Corey and I am aged 9 years old. I live in Inverness which is in the Highlands of Scotland. I have been training in Brazilian Jiu-jitsu for about 18 months with Highland top team. I recently gained my grey belt. I am currently sponsored by BRUIZEHAUS . I compete on a regular basis and have won various gold and silver medals in both Gi and No Gi at white and grey belt level. My next competition is the EliteBJJ junior world championships that take place in Wolverhampton

on the 8th & 9th off July. I am really excited and nervous about this event as I will be matched against some of the best competitors the world has to offer.

I would love one day to maybe be a world champion in Jiu-jitsu but that will take a lot of hard work and dedication. I hope everyone can wish my luck on my Jiu-jitsu journey.

Mia Martinez

My name is Mia Martinez and I am 10 years old. I am a grey belt in jiu-jitsu under Carlson Gracie Garden Grove. I have been doing jiu-jitsu for almost 3 years now. I also wrestle at my academy and I love it. Outside of training I like to spend time with my friends and family. I started doing jiu-jitsu because there were times at school that I'd be picked on by other kids, and I'd be too scared or shy to stand up for myself. My greatest achievement by far is seeing the growth in myself and my confidence. One of my biggest challenges

is making a mistake in a match that costs me the win. It can be a tough thing for me to accept but I remind myself that I don't lose, I learn. I am all about girl power and believe we can do anything we put our mind to. My goal is to inspire other girls to not be afraid to stand up for yourself and to never give up.

My name is Maia Bisley. I am 13 years old. I've been training kickboxing for 7 years (blackbelt) TKD since Jan 2023 (yellow belt 🥋), Maui Thai 2 years. I started training because I would walk past my dad and play/kick or punch him when I was 5 and he decided to find a class that would teach me to do it properly. He found a local class Alexandria Kickboxing Academy as I stay in Dumbarton and I started to train and loved it.

It was a few years until I did a competition but then I got the bug! I now hold multiple Scottish and British titles, 4 world titles and have just been selected for the second year to represent UK for WAKO GB team. I won silver last year in Italy and was then selected for the teams event and won bronze. I compete internationally and this year went to Austria, have Hungarian World Cup coming up, then Greece then Istanbul for the European Championships. I have just had my first full contact fight in the ring and won it. It was the most amazing night of my life and my mum and dad were so proud of me as we're all of my coaches. I feel very privileged to have had this opportunity.

I train With Edinburgh Wolfpack, Braveheart Martial Arts and D-Unit for Maui Thai. I live in Dumbarton and travel all over the UK and internationally to compete. I would love to do more full contact ring fighting and at some point in the future would love to spend time in Thailand training. I dream of being an MMA fighter and competing Internationally/Professionally. I would eventually like to open my own school and pass on the knowledge that I have gained. As the mantra goes ..Eat, Sleep, Train, Repeat
