My name is Adrian Nava and I am a Grey belt in jiu jitsu, under Carlson Gracie in Garden Grove. I have been doing this sport for 2 years now and I absolutely love it! Jiu Jitsu has helped me gain confidence in myself and increase my health and fitness.

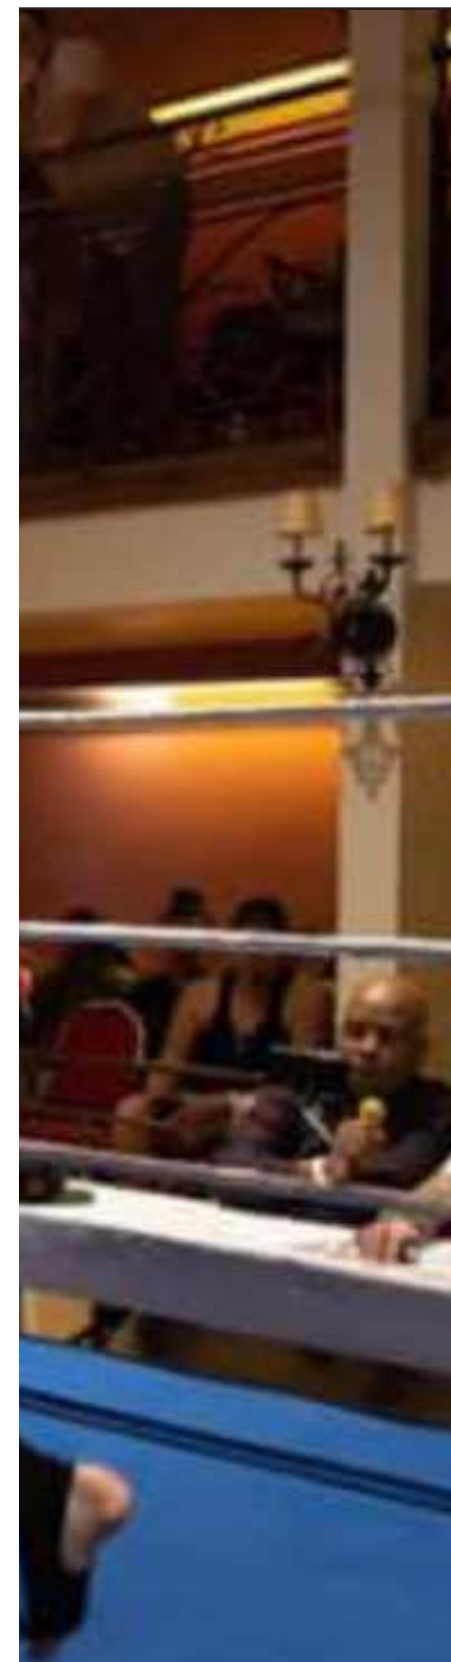

I just finished 2nd grade and starting 3rd grade this Fall. This year I received honor roll, Student of the Month and the Principal's awards.

I have competed in many competitions, sometimes placing, but my biggest challenge is when I don't place and I'm hard on myself. It's during these times that I have to remind myself that I'm not losing- I'm learning. My goal is to keep on learning, growing and having fun while ranking up in belts. My dream is to become a black belt world champion and be known as one of the best while staying humble. I know I will achieve my dreams with the help of my main coach Diego Segura and my wrestling coach Luis Renteria, my Mom, family and friends. I hope to one day inspire little kids like me to try this sport.
