Along with Martial, I also do gymnasium, it is good for flexibility and health. This summer I'll be competing in the grappling industries

Asher Martinez

My name is Asher Martinez. I am happy to share that our team has won the real cup qualifier match against team B of our club and we will be representing our club in further tournaments this year. We as a team worked really hard to earn this feat. Apart from jiu jitsu, I also like to train my muscles and keep myself fit and lean. I

was also the part of team which competed in Las Vegas last year for our club. All thanks to our coach for providing us better training. Supreme Gladiator Las Vegas will be held again this year and our hopes are really high. My dream is to be a professional martial artist.

My name is Waverly, I train in Brazilian jiu jitsu . I am a grey belt White stripe with three white stripes. I train under Braulio Corral of Corral's Martial Arts. I have been training for just over 3 years. I train 4X's a week. I also hold a purple belt In taekwondo. One thing I need to work on is being more explosive on the Mat. I do a lot of local competitions, and I have made it to pans

twice! It was such a great learning experience, and I'm ready to back and make it to the podium! I was also able to compete and take the gold in a super fight for Grappling games, it was so much fun! My biggest dream in Jiu Jitsu is to have my picture on the black belt wall in our gym!

Carl James

My Name is Carl James, but everyone calls me Bubba. I train Jiu Jitsu 4X's a week, under Braulio Corral of Corral's Martial Arts. I am an eight year old Grey white stripe with two stripes. I have been training since I was five years old. I have over 30 wins under my belt, and more than half are submissions! I love

everything about my journey so far. My Dad took me to the Chicago open last year and I was able to meet some of my favorite competitors! A challenge I am learning to accept is being a short eight year old, everyone thinks I am younger than I really am. My dream in jiu jitsu is to be the best I can be.

My name is Conner Cantwell, I'm a jiu jitsu practitioner out of Nova Scotia Canada and I have been training for about a year. I started jiu jitsu in January 2023 because I was very unhealthy and overweight, at first I was very nervous about trying jiu jitsu and I was unsure if I would like it but after 3 classes I was hooked. In just 2 months I had lost 20 pounds doing

nothing but jiu jitsu and had competed in my first tournament where I placed 3rd. Currently I train 7 days per week and I could not be happier. I also travel and compete in jiu jitsu tournaments all around the province.

My name is Jayden Aguirre Perez, I'm 13 years old from the Bay Area. I train Brazilian Jiu-jitsu out of Mindset Martial Arts, under Caio Terra Association. I started training Jiu-jitsu in 2021 and it has become my passion. Growing up I was a shy kid and struggled with bullies, Jiu-jitsu has help me gain the confidence and mindset to deal with bullying situations. I started competing in 2022, and have received Gold, Silver and Bronze Medals. Some of the well known tournaments and competitions I have done are Jiu Jitsu World League, Grappling Industries, American Grappling Federation, IBJJF and had my first super fight with Jiu Jitsu Battle, where I received a gold medal. My goals are to compete out of state and eventually compete in IBJJF PAN in Florida. My main goal is to obtain my Black Belt. Some of my dreams are to compete in Brazil and one day become a world champion. I also dream one day owning my own gym where I can teach and help kids gain the confidence they need to overcome any obstacles and challenges.
