My name is Bella (the constructor) jochenko, i am 13 years old and I have competed in over 35 competitions winning the majority. Bjj and wrestling are my main passions besides athletics and art. In the future I hope to one day own my own martial arts gym where I can inspire and encourage children like myself to learn martial arts and be the best they can be. Jujitsu and wrestling have both taught me strength, resilience, independence and to not give up! I have competed in gymnastics, dance

and athletics. I like to challenge myself by learning new moves and trying new fitness routines to keep me strong. When I'm not in the gym I keep myself active at home training with my sister @summer\_the\_serphent. I have the amazing and talented coaches at Roger Gracie bristol, impact gym and esmaeli wrestling academy helped to keep me focused and on top of my game.

### MES CONSEILS POUR METTRE EN VALEUR VOTRE PROPRIÉTÉ CET ÉTÉ!

- ✓ **Aménagements soignés:** Assurez-vous que la pelouse est tondue, que les mauvaises herbes dans les parterres de fleurs sont enlevées et que la façade de la maison est propre et attrayante. Un coup de peinture frais sur la porte d'entrée peut faire des merveilles.
- ✓ **Faire des travaux d'entretien:** Profitez de la période estivale pour régler les petits problèmes d'entretien, comme les robinets qui fuient, les ampoules grillées, les portes qui grincent, etc.
- ✓ **Jouer avec la lumière naturelle:** L'été, la lumière naturelle est abondante. Ouvrir les rideaux, les stores et les volets pour laisser entrer la lumière. Assurez-vous que les fenêtres sont propres pour maximiser la luminosité à l'intérieur.
- ✓ **Créer une ambiance estivale:** Des coussins colorés sur le patio et une table dressée pour un barbecue imaginaire dans la cour peuvent aider les acheteurs potentiels à visualiser leur vie estivale dans la maison. Ajoutez des touches décoratives comme des lanternes, des plantes en pot et des meubles d'extérieur confortables afin de rendre votre extérieur plus chaleureux et accueillant.
- ✓ **Une pelouse verte:** Un beau gazon peut augmenter la valeur de votre maison, assurez-vous de bien l'arroser et le fertiliser lors des canicules.

"We are incredibly proud of Nathan and his accomplishments," said Alvic and Joy Paje, Nathan's parents, who are also students at Pride Martial Arts and themselves have earned several District Champion titles. "His dedication and hard work have truly paid off. Winning five World Champion titles is a testament to his relentless training, skill and passion for martial arts."

The ATA Martial Arts community, his instructors and peers at Pride Martial Arts are celebrating this significant achievement and look forward to seeing Nathan continue to excel in his martial arts career. Nathan plans to use this experience to inspire others and contribute to the growth of future martial artist competitors by becoming an instructor at his school someday.

My name is Hailey Haney. I am fourteen years old and I have been doing martial arts for two years.

I am state, national, international, and three time world champion in kickboxing and pankration. In the time I have been competing I have had the privilege to travel across not only my country, but around the world. I have been to many states for competition including: California, Wisconsin, Ohio, Texas, Missouri, Arkansas, etc. For world competitions I have been to Alexandropolis, Greece and Timisoara, Romania. My goals in this sport is to make it to the Olympics to represent USA and come home

with a Gold medal, but to also be a mouthpiece to people who have not yet heard about God.

My first fight I lost within fifteen seconds. After that fight it motivated me to keep going in hopes that one day I would become a world champion. I lost more matches after that, but each fight made me better I learned from lots of mistakes and still have lots to learn from. Every fight I grow not only more physically, but also mentally and spiritually.

I look forward to growing in this sport and helping others grow with me.
