I am a traveling model based out of the Midwest specializing in boudoir and runway work. I'm a hippie at heart and a hopeless romantic, a reptile mama, and tattoo enthusiast. I'm happiest on an adventure and hope to model in every corner of the world someday. I'm a huge mental health advocate and want nothing more than to inspire women in

similar situations to love themselves. I hope to encourage other women to find confidence in themselves no matter where they're at in life and no matter what they may be going through.
