An Arizona native, with a large family. I believe in being affordable and still keeping expectational quality. I understand and recognize the beauty in all walks of life. My passion for photography began in 2011 and has continued to grow through the years. I am an old soul at heart but always willing to try new things. I love being creative and

finding new perspectives. I would be delighted to capture your life's greatest moments small, or big.

My names Faye Delune, and I'm A Professional Model, Musician, and Photographer, (Delune Photography) of over 10+ years, but I'm really just an all around creative person and artist. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. Through the years, I've been studying and learning Modeling, Music and Photography at The Professional Level and really enjoying the artistic aspect of it all. In the 10+ years, as a model, musician, and photographer, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, musician, or photographer, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

I love making art, and love showing it off.

I hope you enjoy my work, and I welcome you to my world. ~ Faye Delune

My goals in my modeling life is to achieve greatly and make it into every magazine type u can think of, turning my modeling into a career one day. One of my biggest things I love doing is once I get new ink, I love to show it off and make a story out of my tattoos through my

modeling, I have come across many challenges.

One thing, I tell myself about challenges "There no challenge that I can't handle". As long as u do your best and practice, the better you'll feel accomplished with the challenges that come your way each time.
