My name is Sharhonda Kirksey, I'm a widow now for 2 1/2 years and I've been on a journey at 43 years old, of redefining what life looks like after losing my spouse of 20 years. What's helped me along this journey is mental health therapy, grief support groups, friends, and family. My four children are all young adults, and have been my strength as I want to be an example for them that there's life after tragedy. I hope to inspire other people in general that no matter their life transition they can overcome it, and succeed. I believe my life is different now not only because tragedy changed me, but it was a spring board into my new life and I believe that's the best gift my late spouse could give me. Since my spouses death, I've grown, opened my own coaching practice called Good JuJu Coaching. I'm a certified life transitions coach assisting individuals gain tools to navigate successfully through life as challenges arise. I have also began to model, after a few photo shoots I saw the beauty I possessed, and the strength that I had. I wanted to share with others who needed inspiration, that I'm a picture of what Resilience looked like. Modeling also gives me a freedom, a voice, and a mirror to look into to remind me of who I am.

My names Faye Delune, and I'm A Professional Model, Musician, Artist, Writer and Photographer, of over 10+ years, but I'm really just an all around creative person and artist. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning Modeling, Art, Writing, Music, and Photography at The Professional Level

and really enjoying the artistic aspect of it all. In the 10+ years, as a model, musician, Artist, Writer and photographer, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Books, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Throughout My Career, I Have Also Been Awarded and Published Over 5 Thousand Times! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, musician, or photographer, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

I love making art, and love showing it off.

I hope you enjoy my work, and I welcome you to my world.
