My names Faye Delune, and I'm A Professional Model, Musician, Writer and Photographer, of over 10+ years, but I'm really just an all around creative person and artist. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning Modeling, Writing, Music, and Photography at The Professional Level and really enjoying the artistic aspect of it all. In the 10+ years, as a model, musician, Writer and photographer, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Books, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Throughout My Career, I Have Also Been Awarded and Published Over 5 Thousand Times! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, musician, or photographer, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

I love making art, and love showing it off.

I hope you enjoy my work, and I welcome you to my world.

I have always been interested in modelling and told I was pretty but lacked the confidence and the knowledge on how to start a modelling career.

I recently found out that my auntie was a published model and she introduced me to one of her friends who is a top portrait/glamour photographer with his own studio's in Bangkok. I

am a shy girl naturally, but from my first session they have encouraged me and my confidence has grown. In fact now I love being in front of a camera, it gives me a real buzz. I would love to model and hopefully it will finance me through university, and then continue full time after completing my education.

Living the God dream. My super power is my spirituality mixed with exotic. The perfect God & beauty. I grew up loving dressing up. I always see the beauty in everyone. Loving art and all culture, diversity and humanity. I have loved dancing, gymnastics, fitness and modeling. My own God work has been in addiction, mental health and other trauma informed management. I believe that anyone can change. My passion of modeling

has been my driven force in my art. I have been blessed to be on a TV commercial, in NYC shows, be on the cover of two albums and walked on the runways in NYFW. My specialty is any pinup style. When I am creating my vision, I feel love. My tip to all is always being you no matter what the judgement and opinions. The only thing that matters is the dream, the vision, the love. These are my dreams.

My name is Lindsay Machin, I'm 39 years old. I been modeling since I was 8 years old; Since I been modeling I've came across some amazing models and photographers that have welcomed me into the modeling world even deeper. I love shooting any style and creating magical concepts. My goals in my modeling life is to achieve greatly and make it into every magazine type u can think of, turning my modeling into a career one day. One of my biggest things I love doing is once I get

new ink, I love to show it off and make a story out of my tattoos through my modeling. I have come across many challenges, One thing, I tell my self about challenges "There no challenge that I can't handle". As long as u do your best and practice, the better you'll feel accomplished with the challenge and yourself when they come your way.

I hope to one day become a full time traveling model. I have been doing this for over 3 years now and it is a passion of mine. It is so fun to see myself grow and aspire from it all.
