Dancing Through Dreams: My Journey as a Professional Dancer

Ever since I was a child, my dream was to dance on some of the world's biggest stages, and I have been fortunate to turn that dream into reality. My journey began when I earned a role as a dancer in a Broadway musical in Paris—a life-changing opportunity that allowed me to showcase my passion for performing and grow as an artist.

After my time in Paris, I took my skills to the seas, working as a professional dancer aboard luxurious cruise ships. Traveling the world while doing what I love was a magical experience, as it gave me the chance to perform for diverse audiences and immerse myself in different cultures. Following this, I continued my career by performing at private events, bringing joy and entertainment to exclusive audiences.

Throughout my career, I have faced challenges—long hours of training, fierce competition, and the constant push to evolve as a performer—but every step has been worth it. My achievements remind me that hard work and determination can turn dreams into reality.

At this stage of my career, I am seeking new opportunities as a dancer. I am excited to bring my experience, passion, and energy to new projects, stages, and audiences. I believe that the best is yet to come, and I look forward to continuing to pursue my dreams and inspire others through the art of dance.

My names Faye Delune, and I'm A Professional Model, Musician, Writer, Artist and Photographer, of over 10+ years, but I'm really just an all around creative person. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning Modeling, Writing, Music, Art, and Photography at The Professional Level and really enjoying the artistic aspect of it all. In the 10+ years, as a model, musician, Writer and photographer, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Books, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Throughout My Career, I Have Also Been Awarded and Published Over 5 Thousand Times! I also have gotten 50+ Degree's, Certificates, Diplomas & Certifications! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, musician, artist, writer, or photographer, it allows me to meet lots of people, who usually leave impacts on me and vice versa. I love making art, and love showing it off.

I hope you enjoy my work, and I welcome you to my world. ~ Faye Delune

Hello,

My name is Mickey, I own Creative InSight Tattoo, and am an Artist, in Dickinson, North Dakota.

I am 28 years old, and I am a single mother of two children. I grew up watching my oldest sister get tattoos by all of her artist, friends as a child, and I fell in love with it around nine years old. I started tattooing in 2018 and eventually opened my own shop and name in 2019.

My goals for my life, as a tattoo artist is to expand my tattooing career, traveling, and making an impact in people 's lives with my artwork. I believe, that tattooing is a spiritual calling that carries a lot of responsibility and is not meant for everybody. I love what I do and I would never change my career. For me, this industry is a way of living, a passion, a calling, and it's also freedom.

Another goal that I have, is to encourage my women and my men to accept themselves for who

they are internally and externally, flaws and all. Learning how to love themselves and not be so hard on themselves or others. Because the world is hard enough as it is. I believe, that the Tattoo Industry is a perfect place to teach others to love themselves, because we work on bodies, on a daily basis and even as tattoo artists, we are all diverse and different whether that is in looks, styles, belief systems. Yet, we somehow can work together. I think that is a big goal is to teach others that through tattooing.

I hope that overtime as my artwork grows, the shop name grows, that I, then, as a single mother can provide even more for my two children and others that I love and hold dear to me.

I would say one of my greatest achievements has been able to do tattooing, growing in my artwork and as an artist and person, making tattooing my career and being able to make it through it all, the challenges, the highs, the lows, the losses, the gains, and being where I am now, as a female tattoo, artist, and mother. Being able to run my own shop. Impacting peoples lives. Caring for others through my artwork and time with them as they sit in my tattoo chair. In my small community of Dickinson, ND, it has meant so much to me, how much people, have enjoyed and felt cared for and have supported me and my shop, all these years.
