Hello. My name is Anastacia and I've recently got into modelling. This was my first ever implied nude shoot and I love every minute. I've struggled with self confidence growing up and doing this has helped me in so many ways and helped me grow as a person. I've been published in a hand full of magazines and it's my goal and dream to get onto a front page one day. My Instagram is sv.modelling

Thank you for the opportunity to be featured in your magazine.

I , Melanie Bell, am a free spirit that loves life and all the beauty it holds.

I have many goals and I am always finding another one to achieve. Presently I am working towards modelling and someday being a published model.

My greatest achievements so far is raising my three boys. Recently I achieved winning the title of Ms. Alberta and Ms. Canada 21/22. I always enjoyed being in front of the camera at a young age. I did however take 19 years off of modelling to raise my wonderful family.

Some of my challenges I have over come so far, were brain tumour surgery and being a domestic violence survivor.

I still have daily challenges such as continuing to holding a full time job while raising my three boys as a single mother. I work everyday at becoming a role model for other single mothers and my children's friends and families. Mental health, anxiety, and PTSD is a challenge I still face today. I have learned that these challenges will not let me stop from following my dreams. ♥

I have accomplished everything I've set out to accomplish from shooting with Kink, Reality Kings, and being in Hustler Magazine. I want to finish my degree which I'm close to obtaining.
