Angela Mathis

Angela Mathis describes herself as “not your typical model” and embraces her differences from the norm. She started modeling in her 40s while trying to learn how to use her new digital camera. Hoping to learn from other photographers, she volunteered to pose for their pictures and the rest is history. Her main mission is to encourage other women to feel comfortable in their beauty regardless of society’s ever changing standards. It is her hope that more women are inspired to seek

photographers that will capture their beauty and give them that amazing picture that they can look back on when feeling down. She believes that everyone deserves great pictures that make them feel good about themselves without the overuse of photoshop and filters. She enjoys shooting art concepts and loves working with a variety of artists outside of photography. Her favorite genres to shoot are boudoir and fetish.

My names Faye Delune, and I'm A Professional Model, and Photographer, (Delune Photography) of over 10+ years, but I'm really just an all around creative person and artist. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning Photography, and Modeling at The Professional Level and really enjoying the artistic aspect of it all. In the 10+ years, as a model, and photographer, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, or photographer, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

I love making art, and love showing it off.

I hope you enjoy my work, and I welcome you to my world.

I'm a freelance traveling model who loves to create. I love expressing and drawing the viewer in with my art, and I hope to only grow with my craft. Art is such a passion and I'm so grateful I can spend my time and energy toward it. I'd love to travel more with modeling, and involve myself with bigger projects. Each

photoshoot is memorable, from the photographer, concept, look, etc. I love creating beautiful memories as well as the physical art.
